LOUNGE COLLECTION

Reno is a versatile lounge solution that features supportive comfort complemented by multiple arm styles, mixed materials, and wood or metal leg options. Available with casters and an integrated handle for mobility, it easily moves for changing needs. An optional tablet arm provides a convenient surface, making Reno a practical solution for multipurpose collaborative, educational, and corporate spaces. Reno's breadth of line extends from single seat lounge up to three seat, all with coordinating benches that can double as ottomans. Add side tables to the mix, and Reno truly offers it all.
