

Lexington Sporting Club

Location: Lexington, Kentucky
Square Footage: 3,000
Dealer: Interspace Limited
Photographer: Matt Mediaworks

Lexington Sporting Club is a professional soccer club based in Lexington, Kentucky. In 2023, the club began construction of their new \$50 million stadium featuring a premium club room. Partnering with Interspace Limited and Kimball International, Lexington Sporting Club selected durable furnishings designed to withstand high traffic without sacrificing style. The club room features a large central bar serving craft beverages and a variety of luxurious, comfortable seating areas for fans to relax and socialize. Kimball International's extensive product line helped deliver a flexible and engaging environment that met tight project timelines and design goals, creating an elevated match-day experience.

"We were extremely satisfied with Kimball International throughout the Lexington Sporting Club furniture order. Their team was a pleasure to work with from start to finish, providing clear communication, responsiveness, and flexibility. This project involved several different finishes and product lines, and everything was delivered on time with no damage, which allowed us to meet the project's tight deadline. We were so pleased with the outcome of this project and how well the furniture package coordinated with our overall goal."
