

Kimball®

Footprint® 2.0

Integrated Opportunities

Footprint 2.0 is a comprehensive metal storage solution designed to bring organization, flexibility, and modern aesthetic to any workspace. From wardrobes, pedestals, and overhead storage for personal workspaces, to lockers for shared spaces, Footprint 2.0 delivers flexible organization wherever it's needed.

Customizable paint accents, optional pedestal cushions, and multiple base styles provide opportunities for personalization while maintaining a unified design across the workplace.
