

CONEJO VALLEY WOODWORKER'S ASSOCIATION

The Bladerunner

March 1996 Number 1

Chairs made by Barry Wood

Barry recently joined the Conejo Woodworkers after moving from San Diego where he was a member of the local woodworking group. The San Diego woodworkers are a very large, active group, participating in the Annual Del Mar Wood Show. Last year Barry and other members demonstrated how these chairs are Built

Because of the interest seen at the show, Barry redesigned the chair. He now has plans, templates and directions for construction. He graciously agreed to share this information with our group through a Saturday seminar.

All those interested in learning the skills necessary to build one of these chairs can do so. Sign up at the next meeting for a seminar.

We will be having fun and educational activities through the year. Give your suggestions to any board member.

- Howard Johnson

This is our first attempt to communicate with all of our members through the mail. We are working on providing the information that members want. For the time being, the newsletter will be one sheet of paper, unless an insert is provided. The newsletter will have:

- Meeting time, place and topic
- Notice of special events
- Names of Board Members to contact
- Deadlines for submission
- New library books

Some ideas for topics include:

- Events in the immediate area
- Internet information
- Questions to members
- Summary of the previous meeting
- Buyers' review - where to get tools, wood, etc.
- List of local stores for woodworking equipment

Let us know what is important to you!

DEADLINES FOR SUBMISSION WILL BE ON THE 17th OF THE MONTH BEFORE EACH MEETING
