Editor's Message

It's Election Time Again

Pursuant to the CVWA Bylaws, the Club's Nominating Committee met and nominated the following slate as officers for the 2005-2006 year. We'll be conducting the annual election at the February meeting and accepting nominations from the floor for any of the positions. So if you'd like to participate, make it known at the February meeting!

Those members nominated for the CVWA Board are as follows:

President	Tim Albers	1st VP	Neal Rogers (programs)
2nd VP	John Adams	Director	Brian Connell (Toy Project)
Director	Chuck Pearson	Director	Charles North (Greeter)
Secretary	Mark Cher	Treasurer	Barbara Kaufman
Librarian	Wolfgang Ludeking	Webmaster	Aubrey Grey
Editor	Stephen Case-Pall	Membership	Marshall Nathanson
Refreshments	Tom Denton	Past President	Arlen Handberg

To help schedule and plan our various activities for the year, we're establishing a committee at the beginning of the year to plan meeting programs, weekend seminars, workshops and shop tours. **Ira Goldberg** and **Brad Ormsby** have volunteered to help work with the board in planning these events.

We're also excited to have Brian Connell accept the role of Director, in charge of the Toy Project. **Paul Brockway** who brings lot of experience in making toys and planning this annual event will assist Brian. If you're interested in helping with this great project, please see Brian or Paul. In addition to all this, our Past-Past President, **Marlene Peters** will take on the role of Raffle Prize Host.

Newbury Park IHOP

January Meeting

In terms of entertainment value the January presentation was tops. Kenny Sanford, a prop maker for the television and motion picture industry

provided a hilarious comic routine while occasionally discussing the construction methods he uses to make

movie props. Who can forget Kenny's "Briefs" case and the family jewels, or his quarter horse, Big-Beeper or Macho-Miler. Members had ample opportunity to talk with Kenny and view

many of his creations up close and personal. Kenny also shared a number of props and projects that he constructed for movies. It proved to be a fun evening for all.

January Show & Tell

We had a great collection of items at the January Meeting.

Gene West brought along a cute little thumb-wrestling game, **Jordan**

Greer Showed off his box cutting jig, **Bill Brandt** showed off a 19" diameter platter that he somehow turned using two lathes, **Dave Blackburn**

displayed another great selection of boxes and business card holders, **Mark Cher** showed us a Merry-go-round music box that he made, **Tim Albers** showed-off a collection of different cutting boards and **Brady**

Andresen shared a candle snuffer made from cocobolo and brass all turned on the lathe.

January New Members

With our three new members in January we reached a new record membership of 175. January's new member roster includes: **Robert Pollard** of Simi Valley, **Craig Handberg** also of Simi Valley and yes, he's also Arlen's son and **Dick Wakefield** from somewhere around here. Welcome to the CVWA.

General Information

Upcoming Meetings

• February Meeting •

More workstations are on tap for the February meeting. **Paul Brockway** will command the lathe and demonstrate how to turn a lidded box, **Bill Aurand** will be making dovetails with the router, **Dan Gallo** is going to demonstrate pen turning, **Bill Brandt** is going to give a primer on adjusting and maintaining your tablesaw, **Dave Blackburn** will discuss box design and construction techniques, **Arlen Handberg** will demonstrate how to build a great box joint jig and **Stephen Case-Pall** will demonstrate proper flocking technique.

And, last but certainly not least, bring some extra cash, as **Brady Andresen** will have wood for sale. As with prior Workstations, we'll have stations setup in both the Cafetorium and the Woodshop.

• Ontario Woodworking Show •

The Club will be chartering a bus for the Ontario Woodworks Show. The cost is \$25 for club members. We'll be attending the show on Saturday, February 5th, meeting at the Redwood Middle School in the morning and returning in the late afternoon. In addition to attendance, there will be donuts and coffee in the morning and plenty of snacks and drinks for the trip home. If you want to attend see **Barbara Kaufman** at the February meeting. The bus is almost sold out, so it's first come first serve.

• February Shop Tour •

Austin Ivey will be hosting a shop tour on February 5th. If you're not catching a ride on the CVWA bus to the Ontario show, be sure to stop by and see Austin's shop. It's bigger than many of our homes.

• March Meeting •

At the March regular meeting we'll be having a presentation on Festool power tools. While Festool is known for its line of innovative and

ergonomically advanced tools, you may not know that Festool is credited with developing the first portable chainsaw in 1929.

Raffle Prizes

Prizes for February include:

- \$50 Home Depot Gift Certificate – Attending Member Prize
- 5" Random Orbital Sander
- Roller Support Stand
- 7 Piece Forstner Bit Set
- More Shop Aprons from Arlen – Rumor has it this is the last one, so make sure you buy a raffle ticket for your chance to win
- Craftsman 7_ " Circular Saw with Laser Trac - as the Grand Prize.

Announcements

CVWA T-Shirts and hats are available for purchase – look for more information at the February meeting.

Woodworking Links

It's been awhile since we last published any woodworking links. Here are a few that some of you might find useful:

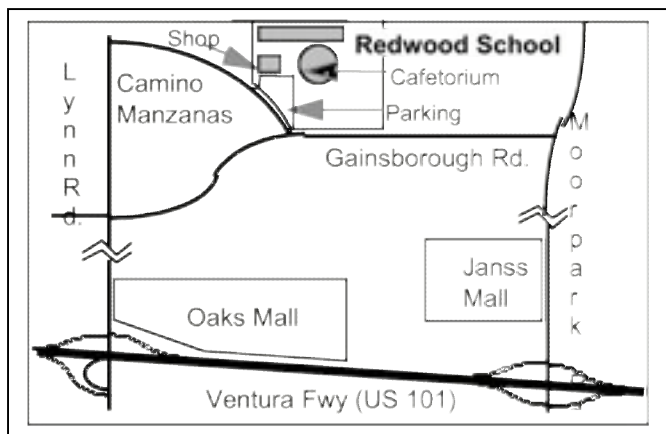

www.smallparts.com - An online hardware store for all types of small materials and components.

www.patwarner.com - Pat Warner, best known for his many books and article on the router also manufacturers a number of useful router accessories and jigs.

www.bull-frog.com - Bullfrog sells "Rust Blocker" products in the form of emitters that can be placed in tool cabinets and boxes to protect your tools from corrosion.
