PAUL AND NOLA BROCKWAY'S TOY CAR AND JEWELRY BOX WORKSHOP
Saturday -- July 7, 2007

Dear Fellow Makers of Toys

Thanks so much for your help on Saturday.

We produced great quantities of sawdust and wood scraps. It's a nice thought that all that dust and scrap will result in toys for children in need.

Thanks again to everyone for working so hard - see the picture to the right.

Additional thanks to those of you who brought food, supplies and equipment.

The picture to the left displays samples of the type of toy cars that were made during the workshop.

Who is this masked man?

One last note. We are trying to identify an individual who showed up and worked real hard during the workshop. As you can see from the picture to the left, this woodworker really did some serious sanding. If you can ID him give me a call.

Thank you,
Paul and Nola Brockway
