Meeting Speaker

Speaker:	Chuck Nickerson	Post & Rung Shaker Chairs
----------	-----------------	---------------------------

He will cover design, material, finish, and construction techniques from a hand and powered tool perspective. He will also discuss how the Shakers upholstered their chairs, information which seems to be missing from all of the 15 books he's reviewed on the subject.

Summer BBQ

A special thanks to our gracious hosts and to all those who helped coordinate, set-up, tear down, and clean-up. It was great fun for all who attended.

CVWA's October Auction

Contact

Mark Tsujihara

gleeplv_01@yahoo.com

Member **Mark Tsujihara** has volunteered to coordinate our October auction. **Mark** will need a bunch of helpers, particularly for the night of the auction, to make things work smoothly. Be sure to let him know you can pitch in. Contact Mark at gleeplv_01@yahoo.com

One of the very popular items in our annual fund-raising auction is items **made by** CVWA members. While you are thinking of that old tool that you rarely use anymore, think also about making something to donate. We're a bunch of skilled woodworkers, and we really appreciate the skills of other members. Those items have a lot more meaning to us than a white elephant tool (although we like those too!), so start planning now to make something to donate for the auction. Several members have already offered to donate items in their specialty.

Mega Raffle

For our next Mega Raffle, several members suggested a Midi lathe. Midi lathes are not to be confused with Mini lathes. Midi's are a new breed of lathe to meet the demands of turners who have outgrown their Mini, or want to start turning with a more versatile lathe. The lathe chosen was the **Delta Midi Lathe 46-460**.

This Midi is larger, heavier and has many features found on large lathes, such as an indexing head, greater swing, more powerful, reversible motor and longer bed. **This MegaRaffle will also include the Delta bed extension for this lathe!** If you already have a Mini, you can use all of your accessories on this Midi. Tickets are \$1 each or 25 for \$20. **Bill Aurand** will handle the ticket sales at each meeting. Here's a complete description of this new model of Delta lathe.
