Important Announcement

Dave Hutter and his wife have stepped up to the call and graciously offered their home for the Christmas Part this coming December. Dave lives in Somis so it should be centrally located for most of us and Dave said he has lots of room.

Thank you Dave for stepping up. It is greatly appreciated. Also, a big Thank You to Arlen and Diane for the past two years and Stephen and Deena for the previous 6 years. I know all of the members appreciate it.

May Meeting Speaker

The program for the next meeting will be by our own Tim Albers.

He will demonstrate "Drawknives, Spokeshaves, and Travishers". He will demonstrate green wood shaping using the drawknife and shavehorse and then demonstrate final shaping of dried wood with the spokeshave and travisher. He will primarily be working on chair parts.

April Meeting Speaker

A big thank you to Greg Radley, of Cabrillo Middle School for presenting his jewelry boxes.

Membership & Club Roster

Have you renewed your membership?

Please review and update your info; phone, email address, authorizations, etc. By the way, after the whole thing was printed I discovered a typo. Rather than kill another tree I decided to reward the **first** person who discovers it with a PRIZE!

Dues remain unchanged at \$25 for Individual and \$40 for Family. Also, for just \$9 you can order a new badge to replace the one that got too close to the table saw or lathe. Wear your badge to the meeting to give everyone one less thing to remember (your name!)

Any member wishing to have a roster of CVWA members, please email a request to Dave Studley, DaveStudley@sbcglobal.net

Mega Raffle

Lie-Nielsen
TOOLWORKS
INC.

The plane set offers three hand planes that every woodworker needs: a Block Plane, a Jack Plane, and a Smoothing Plane. These are our favorites: The Low Angle Jack Plane, The No. 4 ½ Smoothing Plane, and the Low Angle, Adjustable Mouth Block Plane.

This year's mega raffle is even more splendid than last years.
Thank you to Lie Nielsen for helping us to acquire these fine pieces of machinery.

Hurry and buy your raffle tickets now.
The longer Adam has these in his possession the more likely he will run off to some distant woodworking paradise with them.
