"When pigs fly!"
I took matters into my own hands.

June's Special Presentation

Trudi Babich's 8th grade woodshop students will display some of the items that they have made over the course of the year.

Come out to see these young craftsmen and craftwomen who have shown an interest in developing their skills as woodworkers.

July Challenge

Build something out of

wood for the kitchen.

Show & Tell

Please share your projects with the club. We need more participation in this area. Projects can be finished, near completion, or in progress. Please share your turnings, carvings, and CNC projects.

I couldn't decide whether I liked Captain Crunch cereal or Apple Jacks best. So I made two bowls.

June Raffle

I've heard that it is a Porsche made out of wood...of course, because of legal issues; I can't say for certain whether it is.

Membership & Club Roster

January is Membership Renewal Month for the best woodworking value around! Remember to pick up your renewal packet at the Sign-In Desk at the January meeting. Unclaimed envelopes will sent by mail.

Please review and update your info; phone, email address, authorizations, etc. Dues remain unchanged at \$25 for Individual and \$40 for Family. Also, for just \$9 you can order a new badge to replace the one that got too close to the table saw or lathe. Wear your badge to the meeting to give everyone one less thing to remember (your name!)

Any member wishing to have a roster of CVWA members, please email a request to Dave Studley, DaveStudley@sbcglobal.net

Mega Raffle

Since pigs now fly (see last month's challenge picture), Stephen is now touring woodworking events to preach his tricks to happiness.

Caution: There have been reports of crying children, frightened loggers, and howling wiener dogs at these events.
