From the President

August 6, 2013 The Annual BBQ was a great success. I want to thank everyone who worked so hard to make it happen. Special thanks to Arlen & Diane Handberg for opening their home for the BBQ. This was a group effort with many of you stepping forward to help. From setting up & breaking down, to bringing your hand made items for the silent auction. Thanks to Bill & Wendy Boettcher, owners of Woodcraft, for joining us and donating to our Raffle. Be sure to check class schedules at Woodcraft in Ventura. Several of our members teach there and the classes are great, I've taken several and learned a lot. It has been fun to have company in my shop on Wed. and Thurs. mornings. Please continue to call first. I will be at Pickles breakfast on the Third Wednesday of the month.

Sept. challenge: A toy for the Christmas toy drive. One that you have not made before.

Editors Corner

The picnic was terrific and I want to thank Arlen & Diane Handberg for hosting us. I also want to thank Vicki Denton for taking responsibility for organizing it and Heidi Albers for training and assisting her. They deserve special thanks for making it all go so smoothly. I also want to thank everyone else that assisted. Events like this are a team effort and everyone's contribution is important. I also want to personally thank Bill Aurand for stepping up and making sure we had a photo record of the picnic. He did a marvelous job. I had a huge selection of pictures to choose from for the newsletter. I have been having a difficult time choosing which pictures to use. I wish I could use them all, but we would have a 50 page newsletter if I did.

Reminder: October is the annual auction. If you have donations but need help transporting or storing it, be sure to call Will for assistance. If you can assist in storage or transport, call Will and volunteer. Also be sure to sign up to help run the auction.
