Workshops

Sawmill outing

Member Rande Bence was kind enough to host an outing to his sawmill in Hidden Valley and a number of us were there. Although we had a cable break early on, it was fixed and we were able to turn a log into rough sawn boards and sticker them up for air drying.

July Meeting

The July meeting was held at Tom Denton's home and was a stations meeting with demonstrations of sharpening, carving and hand cutting dove tail joints.

More and bigger pictures are available on our website.

Ventura County Fair

We shared the booth with the Channel Island Carers and the Channel Island Turners at the fair this year. Although there were some glitches, we learned a lot about how to do this and next year should go much smoother. Over all it was a success, we talked to many people and spread the word that Conejo Valley Woodworkers Association was here and open to anyone interested in woodworking.

Picnic

The picnic was held at Brad Kingsbury's home in Agora. Thanks again to Brad and his wife for opening their home to us. There was lots of socializing, good food and fun. I along with a number of us forgot to put in an answer sheet on the name that screw quiz. Maybe we can have a rematch some time.

From the Board of Directors

Thousand Oaks Street Fair: President Tom Denton reported five members have indicated an interest in participating in a booth at the fair to be held October 19, 2014. Based on this response the CVWA will purchase one (1) booth for the members to show their wares. With less than nine (9) members participating, the CVWA will pay the booth fee and each participant must pay CVWA \$20.00 plus 10% of their sales income.

The challenge for September is a “something for the shop”, and November is “ a jig or fixture for the shop”.

Coming in September

September meeting

The Talk will be a demo on segmented bowl turning.

The Challenge is something for the shop.

The raffle will have:

Cordless Screw Driver Kit by DeWalt

\$75 Gift Certificate from Local Supplier

Palm & Knife Beginner Carver Set by Flexcut

Wooden Mallet by Wood is Good

A door prize (wear your badge for a ticket) is a \$10 Woodcraft certificate.

The San Diego Fine Woodworkers Association is hosting a weekend with Chris Swartz . Friday evening, September 12 through Sunday, September 14. See Mike Pentecost for details if interested. Cost is \$150 and includes continental breakfast and lunch both Saturday and Sunday. bsddude@yahoo.com 805-377-6168

We will be having our usual breakfast get togethers at Pickles and Dennys. This is a great way get more time to meet and discuss ideas with other woodworkers.

If anyone knows of or is planning an event related to the group, be sure to let us know ahead of time so we can publish it in the newsletter and on the website.

Future Events

October Auction meeting

Don't forget to put together your donations to the auction.

Contact Tom Welz to volunteer to assist at the auction or if you have items to donate.

From the Editor

Not much this time, one of my two typing fingers got sliced by a paring chisel and typing is much fun at the moment.

I enjoyed the fair, but was totally exhausted by the end. I learned a lot and next year should be better.

See you at the meeting

Free:

I have a Delta 10" radial arm saw that I've used on a couple of projects, then let it sit in my garage unused for years. It works well, but I want to recover the shop space and give it to somebody who can put it to work.

There are pictures of the saw on this page:

<https://joseph-lamoree.squarespace.com/blog/delta-radial-arm-saw>

Here are the specifications of the current version of this product (which don't appear to have changed any):

<http://www.deltamachinery.com/products/radial-arm-saws/item/rs830>

It's free to the first person to arrange to take it away from Newbury Park. I can be reached at cvwa@lamoree.com.

Thanks.

needs to dispose of his DeWalt DW734 planer. This is a 3 knife machine and produces very smooth surfaces. Width of cut is 12-1/2 inches, thickness of stock 1/8 inch to 6 inches.

Original knives still in place and sharp, they are reversible on prealigned pins. Machine has been used very little to plane walnut and oak for jewel boxes. Great machine but I no longer have room for it. current list \$399, I will take \$300 or best offer. Buyer must pick up at my house, weight is 80 lbs.
