**November 25<sup>th</sup>** -- Breakfast, Denny's Camarillo at 9am

### October Meeting

Our October meeting was our annual fund raising auction. **Brad Ormsby** was once again our able auctioneer. **Stephen Case-Pall** acted as his sidekick/spotter. **Tom Welz** organized the whole thing and so many other members volunteered to work at the auction to make it the success it was.

### President's Message

Your Board of Directors met on October 20th to conduct the club's business.

Apparently, October is the month for vacations!  
We just barely had enough officers attend for a quorum.

Judi Ziegler described the plans for the December 5th Christmas party which will be at Bill Aurand's place. Please look for the Whoozin invite.  
The membership committee is working to prepare member recognition awards for the Christmas party - similarly as done at the picnic.

Brian Connell presented the minutes and were approved.

Bill Aurand sent the financials and we continue with positive yearly cash flow ahead of the budgeted

amount. The insurance bill has been paid. There were several transactions still outstanding so an exact accounting of the October auction will need to wait, as well as the total of O' Rendy's donations. However, all indicators look outstanding.

We are converting to a yearly budget instead of a fiscal calendar - that means we need to start the budgeting process. I am sure everyone is excited by that.

Randy Spengler demonstrated the new short throw projector system. It is awesome! It will sit on the stage and fill the full screen. The projector has the capability to work wirelessly.

Visibility of presenter's material should no longer be an issue.

Show and Tell will now allow those making larger items to show off their work via photos!

Randy also gave a live demonstration of the work he has done on the website upgrade backend including member database & calendar - very, very impressive.

Dave Seidler reported the membership is at 122 members with 12 new members this year which is twice as many as last year. Dave is preparing for the membership renewal drive to begin in January.

### **Arlen Handberg**

Arlen is in a rehab facility on Santa Rosa Road, and is coming back strong. Arlen's wife, Diane, has set up a website to keep everyone informed. She has done a great job posting to it every couple of days for the past week. The first post is especially detailed about what has transpired to date.

You will need to sign up for a free account on the site, which is run by a non-profit organization with the purpose of helping people stay connected when someone is having health issues. It seems to be a great tool, and I'm glad that someone thought of it. You can log on and read the posts, and leave comments as well.

I hope many of you check out the site and leave comments. The site is:

[www.caringbridge.org](http://www.caringbridge.org)

Search for Arlen Handberg, and you will find his site.

### **Large Projects**

Many of us make larger projects that are too big to bring to Show and Tell. Please send the editor photos of your large project and a brief description so I can feature them here.

#### **Charlie North**

Charlie has been making large (9 foot long) solid walnut tables for his family. He has finished his second table, and is planning the third. With all this solid walnut being bought, I can say that the folks at the lumber store break out into big smiles when they see him coming.

**Stephen Case-Pall**

Stephen made a pair of gun racks for his favorite gunsmith **Brian Worthan**, at Brian's business. These were made to fit into the existing spaces. He used Chinese "Apple Ply".

Tom Welz,

Tom made an artist easel for his new Granddaughter Alicia. The back side of the easel has a large paper tablet for crayon drawings, and the front has chalkboard. Guess which side Alicia used the crayons on first.

### Siggia Hardware Tour

I was sorry to have missed this tour, as it was very well received. Thanks to **Tom Welz** for photos.

## The Challenges

Don't forget that presenting something for the challenge gets you FIVE free tickets for the raffle!!  
The Challenge for November is **something food related**, and for January it's **Something for Valentine's day**. For March, it's **something robotic**.

## Southern California Tool Swap Meets
