July Meeting

July and August are months the school meeting place is unavailable to us, so July's meeting was held at the home of **Bill and Julie Aurand**. Work stations were shown by **Christian Ziegler, Dave Seidler and Bill Battocchio**. **Christian** did a demo on (metal) hand planes, **Dave** did a thorough explanation of woods, their characteristics, and **Bill** showed us how to achieve a great finish on wood by using the Beal buffing system. Below are some photos from the meeting.

President's Message

Hello fellow woodworkers. Hope to see you at Arlen Handberg's house for our August Annual Picnic. Don't forget to bring a chair for yourself, and something for the silent auction.

We moved the start time to 4pm to avoid the hot weather.

Don't forget to RSVP on WHOOZIN. Please also remember your donations for the Silent Auction. There will be emails going out.

The board of directors decided to upgrade our camera so we can show live demos and presentations on the screen at our regular Meeting. Another benefit will be filming a woodworking tip or demo at your shop and showing it at the Meeting. These short films should be no more than 5-10 minutes. A whole new take on Show & Tell! It will give Members a chance to show things that may only be possible in your shop. We can also post them on the New Website for future reference. I'm going to tape my Porter Cable Dovetail Jig Demo and post it. Give me or any Board Member your feedback please.

We are going to have a "Membership Saturday" to advertise CVWA at Woodcraft on August 19th. Bill is kindly going to allow us to set up at their Library Table. Bring your woodworking friends and neighbors! Also, volunteer to "work" the table.

Hope to see you at Arlen's on August 5th. Have a Happy Fifth! Tom Welz

August Meeting

Don't forget that August's meeting will be replaced by the annual picnic Saturday, August 5th from 4pm to 7pm at the home of **Arlen and Diane Handberg**. See "upcoming events" on page 1 for info.

Want an advantage in the "Adopt a Woodworker" Contest?

Do you want to be in the running for \$200 top prize in this year's "Adopt a Woodworker" contest? Well there is way to gain an advantage in this contest.

Just sign up to host an unaccompanied guest at one of our events - if they join, that counts toward your total of new members.

Of course, we do expect you will get to know the guest, their interest, introduce them to other members with similar interests, obtain their contact information, and encourage them to join.

Just get your name on the "Host" list for this year, either at the event registration desk or send an email to chziggy@atechmar.com or call 805-876-0252. Once on the list, you are a host candidate for the balance of the year.

The order of selection will be by the date you are entered on the list. If you want to opt out of a certain event, just let the registration desk attendant know.

Large Projects

We know that many of you work on large projects that are too cumbersome to carry to meetings. Just send me a couple of photos so we can feature them in the **Bladerunner**.
