## President's Message

Hello Fellow Woodworkers!

Well, ladies and gentlemen we're coming to the end of another year...they seem to come quicker somehow, the older I get!

I really hope you've been able to make a lot of sawdust this year. Personally it has been a pretty good year woodworking wise. I've been able to reorganize my Shop and the flow is much better.

The Toy Donations are due at this coming Meeting, so don't forget to bring what you've made. The kids sure need and appreciate every Toy we make. Also, remember to keep one out for Show and Tell.

After Toys, we will have a discussion and vote on the proposed changes to the Club Constitution. Your opinion and vote are important, so I hope you will make it a point to be at this Meeting.

Regardless of the vote, nominations for new Club Officers will be held at the January Meeting. The Club needs new Officers, so consider donating your time.

I hope to see many of you at the Holiday Party!

*Tom*

Tom Welz, President  
Conejo Valley Woodworkers Association

## Motion – Notice to Change Constitution

**As previously discussed, the Board is proposing some changes to the Club's constitution. You should have received a separate email last month with the revised Constitution attached. Please review and be prepared to vote on the changes at the December meeting.**

Here are the major proposed changes that will make it easier for members to be officers:

- 4 of the 7 Club Officers will be able to define their own duties as Directors At-Large

- President requirements will be relaxed
- Officer tasks will be team efforts; the President will become Delegator in Chief
- Removal of outdated By-law Articles & Appointments
- Nothing precludes past practices
