Well, this will be my last President’s Message. It’s been an honor serving the Club as your President for the past year. The Club means a lot to me and I know it has helped me make lifelong friends and really improve my woodworking skills. My hope is that the Club will continue for many years and remain a strong and vital part of the local woodworking community.

Be sure and exercise your right to pick the new President and Board of Directors this Thursday. The new President and Board will be installed at the March Meeting.
