President's Message

Our meeting program this month will be on finishing, presented by Tom Carlin, an accomplished finisher. This presentation was arranged for by Loren Stone. Thanks Loren

Our holiday party is coming up on December 8th and will be at our home in Simi Valley. We will be having the gift exchange, so if you make a gift and bring it, you will go home with an item made by another member. We will be having Tri-Tip and Ham for the main entrée and half our members will be bringing a side dish and the other half will be bringing desserts. Be sure to check the Whoozin notice for the details and click the "I will attend" button so we can have a head count for the other items the club will be providing.

Our January meeting date falls on January 3rd, but the school will still be closed. Due to this conflict, we will meet at the school on January 10th. The presenter will be Dave Seidler who will talk about the Work Sharp system of sharpening. Dave uses this system for his sharpening. I'm sure it will measure up to the usual high standards of Dave's presentations.

Our challenge for January is something that flies.

We will be having a shop tour on January 5th and will visit the shops of Brad Ormsby and Rob Hobmann. Watch for the Whoozin invite for details.

Tom Welz is getting volunteers for the election at the February meeting. Consider serving the club by being on the board for a year. It is very enlightening to see the inner workings of the club.

Toy Drive

The club donated 665 toys to the Ventura County Sheriff's Thousand Oaks Division.

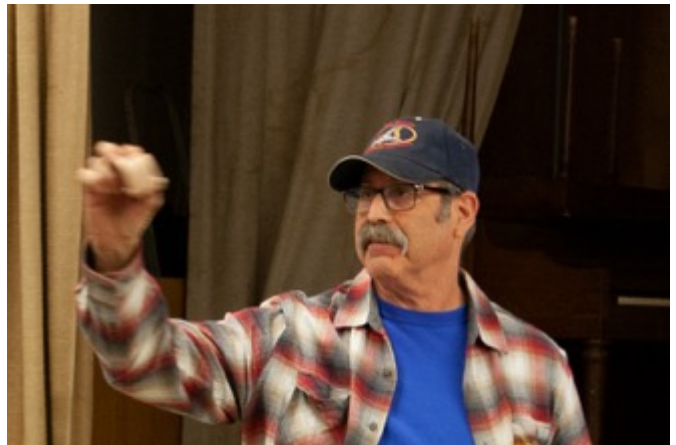

Arlen did his usual unbelievable job making several varieties of toys.

Charlie North made 50 fantastic toy trains, with help from his grandsons.

Dave Seidler once again was a major contributor; donating various toys.

Dan Waingrow – Fun Helicopters

Bill Battocchio – Playful cars. Welcome back, Bill!

Tom Welz – Cameras

Bill Aurand – several hundred whistles. WOW!

A Sheriff's Department representative was on hand to pick up the toys and to give a heartfelt thanks to the club.

Show & Tell

Dan Waingrow shared the beautiful box he made for his veterinarian and a heart-shaped spoon.
