- Jan 25** -- CVWA Breakfast 9:00am to 10:00am Denny's Camarillo

## President's Message

This month is our primary fund raiser for the year, which is our **annual auction**. Go through the shop and pull out the tools you don't use or need anymore and bring them to the auction. You are encouraged to also bring an item you made in the shop that someone else would pay to own. We will be enforcing a minimum bid or raise of \$1.00 to make check out easier for the cashiers. Also we will not be having check out before the end of the auction. It creates a disruption of the auction in trying to log the purchases and creates a lot of noise which interferes with the bidding for the rest of the group.

October 6<sup>th</sup> is a skill building session at Dave Seidler's shop. We will be making a box with mitered corners and reinforced with a spline. Be sure to respond to the *Whoozin* notice so we will have a head count for supplies needed.

October 11<sup>th</sup> will be the second router SIG in my shop. We will be covering making moldings and picture frames on the router table.

Don't forget to mark your calendars and tell the spouse about the tour on Nov 10<sup>th</sup> when we will go to the Nethercutt Collection in Sylmar. It is also known as the Merle Norman museum. They have a great collection of old cars, mechanical music machines and a collection of train items across the street. Be sure to plan on going and taking the spouse.

November 1<sup>st</sup> is the date we turn in our toys for the underprivileged children. If you haven't finished them yet, you still have a month to make a good Christmas for some deserving kids.

*Arlen*

Arlen Handberg  
President  
Conejo Valley Woodworkers Association

Show & Tell

RANDY BENCE

DAN WAINGROW

**Challenge: Build a Toy with a Partner**

**STEPHEN CASE-PALL & ARLEN HANDBERG:** A beautiful truck.
