## President's Message

The scary season is here! No, I don't mean Halloween, I mean the Santa Ana winds and the fires. Here's hoping that the only bad thing that has happened to you is smoke in the air and ash on the car. I'm sure all of us have been on pins and needles concerned about friends in the evacuation areas. Hopefully, the winds and fires seem to be dying down. Let's hope we've seen the last of them for the year.

There is nothing scary about our next meeting. Instead, it should be fun and informative, as our meetings always are. Two big events for the evening – the toy turn-in, where we get to see what our talented members have created for the kids in need. The Sheriff's Department is eager to get our toys to pass out to kids having a family crisis. It's so good to think of a little one comforted by a toy made by our members.

As the wife of an accident-prone woodworker, I've mopped up a lot of blood, and made the mad dash to the ER at Los Robles. Now, that's scary! So, I'm going to be especially interested in hearing our own Will Robbins, RN, and his doctor friend, tell us about common wood shop accidents and how to cope with them.

Because it's going to be such a busy evening, we will not be having a raffle at the November meeting. There will be a raffle at the holiday party, and it will be an expanded one. There will also be some items for our women members, and a couple of things suitable for gift-giving – even to yourself, if you like.

Our December meeting will be the holiday party on the first Saturday, December 7<sup>th</sup>. It will be held at Arlen and Diane Handberg's lovely home. To help prepare for the party, we'd like to get some volunteers to help get ready. I'll be putting out the call at the next meeting, so plan to step up and join us.

Speaking of stepping up, we need some new officers for next year. If you've been thinking about taking a greater role in the group, helping it to function smoothly, now's the time to participate. Or, if you have someone in mind whom you think would be a good candidate for any of the open offices, please let me or any board member know. We need to fill the following positions: president, treasurer, communications director, and sunshine/wellness director.

Don't get caught napping like Marsie the Chihuahua – step up to the plate and be part of the solution. Your club will thank you, and so will I!
