# July is here!

## President's Message

Greetings all. I hope everyone is well. As we move into July, we are all dealing with some of life's challenges, health issues, and just plain getting older. LOL Our club is growing each month and we have a lot of great talent to draw from. Your board is working diligently to keep our club fun and exciting. I implore each of you who are willing, able, and interested in being a board member to start thinking of volunteering for a position for our next year!! It is a challenge but one that is worth the time.

On another note, we are planning our annual picnic on August 10th from 12-3. Frank Sinsheimer has volunteered his home for the picnic. We will be sending out an Evite next month.
