It's officially Autumn! Happy Thanksgiving

President's Message

Hello, my fellow woodworkers!

I hope this message finds you healthy and happy. Here we are in October already. As we prepare for Halloween and Thanksgiving, don't forget about our upcoming meeting on November 7. Since our last meeting, I have managed to finish my redwood table. It was quite an undertaking and education. The piece is 4.5' x 5.5' —a solid slab of beauty. I will include a photo so you can marvel at this beauty.

On another note, we have the calendar up on the website, so you can now check out our upcoming meetings and future events. It has been a long time coming, but it has finally arrived. I am very proud of the advancements we've made this year. It hasn't been easy, but the board and I have worked hard behind the scenes.

We tried something new at our last meeting: a video presentation of Dave Siedler in his shop. It seemed that our members enjoyed that type of presentation. If you are interested in having your shop on the big screen, please let me know so I can add you to my calendar.
