President's Message:

Our next meeting is scheduled for June 4th. We hope to see you there. Mark Raundonis will be leading the meeting, as I will be in Tahoe waiting for my first grandchild.

I hope you enjoyed our own Bill Brandt's wood turning demonstration program. It is always enjoyable to watch others demonstrate their woodworking skills. As most of you know, Bill was a woodshop teacher and has many woodworking talents. He is a valuable asset to our club. Remember, one of our club's best values is the sharing of woodworking knowledge. Don't be shy; if you have a skill to share or a burning question about any woodworking skill, please speak up; we want to hear from you.

Once again, dues are due. If you haven't yet paid, please help our Treasurer, Mark Raundonis, by filling out a form and updating any information that may have changed. Dues are \$60, cash or check, made payable to CVWA. Remember, it takes money for our room rental, insurance coverage, supplies, and our website. CVWA's dues are the main source of revenue to cover these costs.

At our next meeting on June 4th, once again, our own Bill Brandt will continue working with the lathe by making a bowl. Bill will also explain lathe safety, along with how to set up for bowl turning. We have set June 6th for our next shop tour of Bill's shop, along with a possible continuation of our lathe conversation. You don't want to miss this shop tour, as it will most likely be like a museum visitation event.

We look forward to seeing you at our next meeting. Bring a woodworking friend and share the fun.

Brad

See you at the next meeting on May 7, 2026. Newbury Park High School *456 N Reino Rd, Newbury Park, CA 91320.*
