

# Porto

The Porto Knob is a clean, contemporary solution designed to deliver understated style and everyday practicality. Porto offers a durable and lightweight option suited to a wide range of cabinetry applications. Featuring a soft square profile with rounded edges, the Porto Knob provides a modern, refined look that complements a variety of interior styles.

The Porto pairs seamlessly with our most popular Project handle ranges, including Dallas, Livorno, and Milano, allowing for a cohesive and considered hardware scheme across cabinetry.
