THIN WALL DRAWER

AERO

By Furnware Group 

The Aero Slim Wall Drawer combines sleek, modern design with reliable performance. With a 35kg load capacity, multiple depth options, and smooth soft-close action, it delivers strength and stability in a slim, square-sided white finish to suit any project.

Supplied as a complete, part pre-assembled set with simple cutting and drilling, it also features 4D front adjustment and rear tilt adjustment for fast installation and precise alignment.

THIN WALL DRAWER
