

GMC Savana

Room to go

Full-size vans are roomy, luxurious and outfitted with state-of-the-art features. Stylish conversions allow for flexibility and total mobility for driver and passengers. Our lowered floors or raised roofs give ample headroom and visibility in center, driver and passenger positions. Our Mobility Professionals will help you find the right solution for you and your family.

4X4 and all-wheel drive are also options.

Minivan. Mega appeal.

Minivans are our most popular seller. Classy, elegant and sporty; easy to maneuver and fun to drive. At the press of a button, your door slides open, a ramp is smoothly deployed, and the van gently lowers for the easiest possible access for scooter and wheelchair users. Our conversion allows drivers to roll in behind the steering wheel, automatically secure the wheelchair and drive away.

- **Smooth-Ride**
 - Chrysler-engineered Comfort Link Bushing System retained during conversion
- **Maximum ground clearance**
- **Industry-best 7-year/100,000-mile warranty**

Options Create Endless Possibilities

Built to Fit Your Needs

All of our new and used vans can be customized to fit your unique needs. This includes the addition of accessible features like hand controls, wheelchair securement, seating options, transfer seats, and more. (A wide selection of steering wheel devices, hand controls, zero-effort steering, brakes and touchpads are available.)

A grip that doesn't let go

Where we come from, a promise is a promise. That is why we offer a warranty on every new and used wheelchair accessible van we sell. Our industry leading 7 year/100,000 mile structural warranty is standard on all new Rollx Vans conversions.

All warranties start when you take possession of your new or used modified vehicle.

It is that simple. As it should be.
