Available tints

-  Chocolate
-  Cognac
-  Havane
-  Black
-  London
-  Victoria

Compact and rigid, this briefcase will be the perfect companion of your small tool, easily transportable, its large opening allows direct access to your essential tools.

A unique piece of leather is the front, bottom, back and top, ensuring waterlightness and robustness. The upper edges are reinforced with steel, the bottom and sides are stiffened. The interior consists of 4 straps diameter for your tools, 2 lateral straps and a soft pocket.

The handle, hand sewn in the same leather will also skate over time.

100% artisanal manufacturing, made in Belgium

Composition : Vegetable full grain leather Niagara from RADERMECKER® Tannery

Dimensions : 300x200x120mm - 400x200x250mm
