

How Marinas Can Create Customized, Digital Contracts for Winterization, Seasonal Service, and Storage

IMPORTANT NEWS FOR DOCKWA MARINAS!

Dockwa has launched a digital contract system so marinas and their boaters can:

- Streamline the contract process for services such as storage, shrink-wrapping, and winterization.
- Email contracts through Dockwa to their boaters, who can then request specific service needs, approve and electronically sign the contract, and return the document electronically, ASAP.

How Digital Contracts Help Your Marina (and Your Boaters) Plan Seasonal Service and Winterization

RESERVATIONS (availability and scheduling)

Seasonal Customers

Provide an easy and direct way for boaters to request seasonal services on their schedule

Automatically accept or decline requests —from your office, home, or anywhere!

Get immediate pre-payments from the boater's verified credit card on file

BACK OFFICE (contracts, billing, etc.)

Winterization & Storage

Automate contract creation, signature collection, and annual renewals

Automate billing

Easily communicate through Dockwa with your customers regarding any service changes or updates

SERVICES (maintenance, winterization, storage, etc.)

Point Of Sale

Save time on service transactions by charging your customer's card on file with Dockwa

Provide "white glove" service by allowing boaters to choose the service that's right for them

Allow boaters to communicate their haul-out and launch/delivery dates

In the past two years, more than ONE MILLION people have bought boats. Many prefer digital transactions because it's a more convenient and efficient way of doing business.
