MAKING THE BUSINESS OF BOATING
EASIER FOR BOATERS AND MARINAS

Whether you're at a municipality, resort, yacht club, storage/service marina, or a boatyard, Dockwa helps you save staff time with daily marina processes, increase revenue, and create a better boater experience.

DOCKWA OPTIMIZE

Dockwa Optimize is a complete boater relationship platform that streamlines your entire operation, automates manual processes, and elevates your best opportunities for growth. Key benefits include all of those offered in Dockwa Manage, plus:

- Advanced business reporting
- Automated and marina-branded emails to boaters
- Lower credit-card processing fees
- Marinas.com premium advertising
- Email marketing integration
- One-on-one consulting with your Dockwa Marina Success Manager, so your marina's (and customers') needs are met
- Early access to best-in-industry software features and upgrades
