TRAIN AT UNIVERSAL TECHNICAL INSTITUTE FOR A CAREER IN THE SKILLED TRADES

Leverage your military experience and prepare for an exciting career doing something you're passionate about. Universal Technical Institute (UTI) and its family of schools, including MIAT College of Technology, can train you for a career in a variety of industries, including transportation, manufacturing and energy.¹ For more than a half-century, our instructors with real-world experience have been teaching students in classrooms and labs to get the education they need. Complete our programs in 24 months or less!
