Employment Statistics	Employment statistics substantiating these placement rates are available for inspection upon request. Data may be de-identified as necessary for compliance with state or federal law. Graduate Placement Rate includes graduates who obtained full-time, non-temporary jobs in their field of study. Total Placement Rate includes students that enrolled in the program during the last two calendar years who obtained full-time, non-temporary jobs in their field of study.								
Your Loan Debt		You must repay money that you borrow as student loans to pay for this program, including interest. You must repay any portion of the money you borrow to pay for this program, even if you fail to complete or drop out of the program. Failure to repay student loans is likely to have a serious negative effect on your credit, future earnings, and your ability to obtain future student loans.							
Loan Nonpayment Percentage ⁴	cohort, other than those born and (c) the percentage of stu- during the cohort default per 88.09% (2018) of students in	Defined by MA 940 CMR 31.03 as the sum of: (a) the most recent federal cohort default rate (as calculated pursuant to 34 CFR Part 668, Subparts M and (b) the percentage of student borrowers in said cohort, other than those borrowers in 940 CMR 31.03: Loan Nonpayment Percentage(a), whose Stafford loans, at the time the most recent cohort default rate was calculated, were in deferment or forbearance; and (c) the percentage of student borrowers in said cohort, other than those borrowers in categories 940 CMR 31.03: Loan Nonpayment Percentage(a) and (b), who defaulted under the terms of institutional loaduring the cohort default period. 88.09% (2018) of students in the Canton, MI OPEID (020603), which includes the Houston, TX and Canton, MI campuses, defaulted on, or failed to repay, their loans during the period of 2018.							
Program Cost	room and board (whether on	Defined by MA 940 CMR 31.03 as the tuition and fees charged for completing a program, including the typical costs for books and supplies (unless those costs are included as part of tuition and fees) the cost of room and board (whether on or off campus), and transportation.							
Graduation Rate	program during the latest two	Defined by MA 940 CMR 31.03 as the number of students who received certificates, diplomas, or degrees in the program during the latest two calendar years, divided by the number of students who enrolled in t program during the latest two calendar years.
