# Keep Up To Date!

There are many great ways to keep on with the latest AI tools & resources for teachers. Here are a few of our recommendations below.

## Attend Conferences & Workshops

Many conferences and workshops are designed for teachers interested in learning more about AI in education. Networking provides a great opportunity to hear about the latest tools and resources and meet other teachers interacting and experimenting with AI.

- Artifical Intelligence Northern Ireland hold regular AI events. Keep track of their events here.  http://artificialintelligenceni.com/

- AI Con 2023 is happening this October, you can follow information about this event here https://ai-con.ai/
