Serial Numbers

Non duplicating serial number

US \ Statesville Plant

Month of manufacture

Year of manufacture

Serial Code

Doosan Infracore Portable Power

2012
MODEL YEAR

438946UDWD75
SERIAL NUMBER
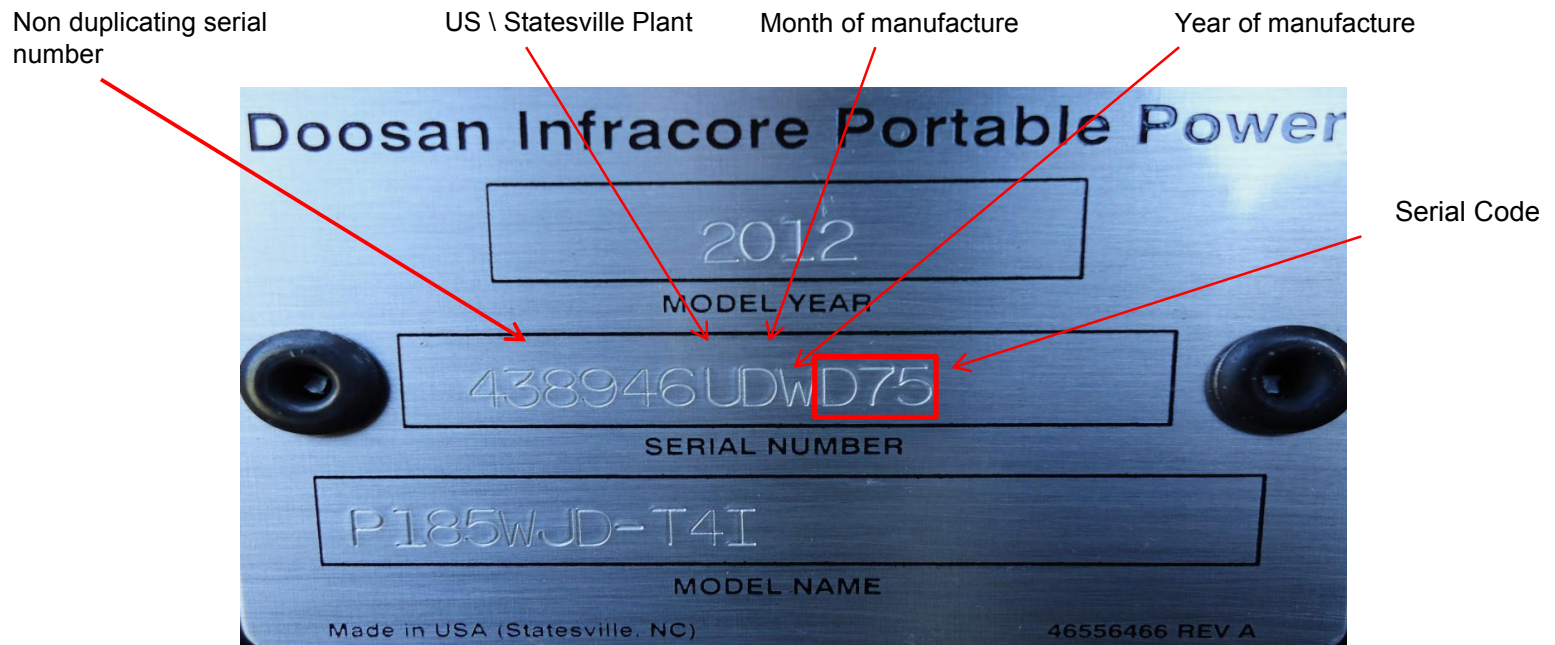

P185WJD-T4I
MODEL NAME

Made in USA (Statesville, NC)

46556466 REV A

The Serial Code is used to determine the machine type when looking up parts in Smart Equip. To find this machine in Smart Equip go to the P185 menu and select serial code D75. Having this information is essential to determine the correct parts.

The table for determining year of manufacture using the month and year code is displayed below. For example the serial number displayed in the tag is for a machine manufactured in April (code D) of 2012 (code W).

Month of Manufacture	Code	Year of Manufacture	Code
January	A	1992	B, C
February	B	1993	D
March	C	1994	E
April	D	1995	F
May	E	1996	G
June	F	1997	H
July	G	1998	I
August	H	1999	J
September	I	2000	K
October	J	2001	L
November	K	2002	M
December	L	2003	N
		2004	O
		2005	P
		2006	Q
		2007	R
		2008	S
		2009	T
		2010	U
		2011	V
		2012	W
		2013	X
		2014	Y
		2015	Z
