

BACKHOE LOADER TIRES RANGE

REFERENCE GUIDE

Bobcat Backhoe Loaders are versatile machines and can easily be configured for a variety of applications. Correct tire choice will help unleash their full potential!

Our tires are designed and selected to maximize the productivity and performance of your Bobcat Backhoe Loader. Whatever your job – digging, trenching, breaking or material handling – Bobcat tires are here to get it done efficiently.

Multiple BHL tires options, all predominantly designed for off-road applications, from soft to mixed terrain conditions, are available to give you a freedom to choose the one best fitting your needs: Michelin tires offer the highest quality and non-compromise performance. Camso or Petlas tires represent proven quality economical alternatives.
