

NATE GEMAR
14 YEAR VOLUNTEER

2025 VOLUNTEER OF THE YEAR

WHAT BRINGS ME BACK EACH YEAR

This award truly belongs to my wife, Maren, and my son, Blake, more than me - sharing my love for the game with Blake, who has volunteered over the past couple of years, has been such an enjoyable experience.

Maren, my wife of 20 years, deserves even more recognition as she has graciously shared our wedding anniversary with a group of sweaty golfers each year! She's undoubtedly the real MVP here.

Whether volunteering, playing, or both, this tournament is always a summer highlight for me. It brings together a great mix of the game, talented golfers, and wonderful people.

ABOUT ME

I've been working with Bobcat for 14 years, since December 2011. I've been married to Maren for 20 years, with our anniversary falling on August 27th. We have two sons, Braden (16) and Blake (14), who attend Horace High School. Our family loves following their activities, including soccer, hockey, golf, baseball, football, orchestra, and band.
