In the event of unavailability of a replacement Part or Product, Bobcat may replace the same with a comparable part or product. The Purchaser shall allow reasonable time for repair, replacement, refund, or credit. Bobcat may, at its option, require the Purchaser to return defective Part(s) to Bobcat’s facility for inspection at Bobcat’s expense. Unless otherwise prohibited by applicable state law, charges for travel time of mechanics and transportation of the Product or Part to the authorized dealer for warranty work are the Purchaser’s responsibility. Any Parts repaired or replaced under this Warranty are warranted only for the longer of (A) the balance of the Warranty Period on the original Part that was repaired or replaced, or (B) a period of 12 months (or 6 months for the auxiliary hydraulic quick couplers) beginning on the date of such repair or replacement. The Product may have an emission control systems limited warranty (“**Emission Warranty**”), and such Emission Warranty may provide additional coverage and remedies for the fuel, electric, cooling, intake, and exhaust components of the Product.
