
ATTACH/DETACH INSTRUCTIONS LABEL

INSTALLATION INSTRUCTIONS

If your blade does **not** have an Attach/Detach label with the UltraMount® 2 logo (shown at right), then follow the instructions below to update your label.

Apply the supplied UltraMount® 2 Attach/Detach label directly over the current Attach/Detach label on the back of the blade.

If the blade has no current label, place the supplied label on the back of the blade, on the driver's side, in an area visible during the attach and detach procedure. The Warning/Caution label must remain visible.

Thoroughly clean and dry the existing label or blade surface area before applying the new label.
