## T IS FOR TRAILBLAZER

FLAVOR  
FACTS:

10 TON TASTE

T isn't just for **taste** and **Taos**—our wondrously weird northern New Mexico home. Now it's for **Trailblazer**, too. An off-the-beaten-track, back to nature, old school dish of delicious granola. Super flavors and superb taste equally at home in a big bowl for breakfast or a spoonful on a sponge cake.

This is original granola, made the old school way with old school ingredients—butter, brown sugar, maple syrup and oats. This scrumptious medley is finely tuned and baked to mouthwatering perfection with no cut corners—small batches in small ovens in small kitchens. Little extras that deliver huge taste and a big kick in your get up and go.

So, get out there. Change the world. Do something as amazing as Trailblazer tastes. Make us proud.
