NEW HEAT RULE!

For the health and safety of our players, we have a new Florida Section Regulation—

- FLORIDA - 2.03D(1)b Championship Competition. In the event that, on the day prior to play, the **heat index** for the Sectional's location is predicted to reach **105°F or higher** during the timeframe of the Sectional, **a no-ad scoring format for the entire event shall be used**. The Championship Committee will have discretion to change scoring formats when deemed necessary.

Tournament Surface and Format Changes

Please note that the tournament format, number of matches and scoring format may change due to circumstances beyond our control such as weather or court conditions.

Extreme conditions could cause delays, modifications and possible cancellation of the tournament.

There are no guaranteed back-up indoor courts where the Championship can be played in the event of rain, and as guests of the Campus, we do not have free rein of the facility. Our use is limited to our contract.

Since there is NO RAIN OUT DATE scheduled, Championships must be completed within 3 days from the first day of play for each NTRP Level.

Inclement Weather and Communication

In the event of a rain delay while your match is in progress, **please remain on campus.**
Do not leave until directed to do so!

RED ALERT: In the event of nearby lightning, sirens will sound throughout the Campus. All guests must immediately take shelter in an indoor building, specifically the Welcome Center, until further notice.

Under no circumstances are guests allowed to remain outside or stay at the Tournament Administration Building (TA / Tournament Desk).

Your safety is our top priority, so please follow these guidelines closely.

We will communicate next steps via text and email.

If you leave the premises, you risk being defaulted if play resumes and you are not on-site and ready to compete.

Reminder: We are NOT guaranteed indoor courts!

Only players of the indoor matches and their captains (and minor children of players and/or captains) are permitted indoors unless instructed otherwise.

Please respect the team if you are denied admission.

How long should we allow to get to the courts?

Please make sure your players allow at least 30 minutes to park and get to the courts.
The Campus does not open until 7:00am.

Each player should be on their designated individual court by match time.

Players not on their assigned courts may be subject to late penalties by the officials.

One answer....NO! And players' watches should be in airplane mode. Officials will code and issue suspension points for any coaching! Let the players play!

FAQs

What do I do if I receive the text to start the match and my opponent(s) are not present?

Players should be informed that they are able to leave the court to find an official. They may flag a roving official, or they may contact the tournament desk and request one. **Only players in the match may request an official.** And a player should always tell their opponent where they are going (to get an official or to the bathroom) whenever they leave the court during a match.

What happens if my team decides we are out of contention, they no longer want to play, and they go home?

See FLORIDA - 2.03L(1) All captains/players on a championship team not playing all matches in good faith or defaulting an entire team match shall be subject to a grievance. This includes registered and non-registered players who made a commitment to participate in the Championship.

When players and/or teams register for the Championship, they are committing to a 3-day weekend. Any team that did not have enough players for 3 days, whether winning and clinched or losing, should have withdrawn before the draw was posted. Doing so would have allowed us to invite another team.

Is it possible to be undefeated and not advance to the semifinals or finals?

Having an undefeated record will not guarantee your advancement. TennisLink will always break the tie(s) based on SR 2.03H(1)a-h (outlined in slide 5 above).

How can I share my feedback?

You will receive TWO surveys after the event.

One will be from The Campus to evaluate their staff and facilities. The second one will be from us. Your constructive feedback is valuable to us in order to continue to improve the experience. It's also nice to see some shout outs for team members you feel deserve some extra recognition.

**This is YOUR league and YOUR sectional.
We want to make it GREAT for YOU!**

BEFORE WE PLAY

Don't Forget

As a captain at this Sectional Championship, I commit to...

THE APP / TEAM COMMS

Virtual TD is on your phone, ready to go before you arrive. Group text with your players is set up.

YOUR ROSTER

Bring enough eligible players for all three days. Coming with the minimum number of players is NOT recommended.

BE PATIENT

Over 500 (!) players on site. Staff is working hard to provide the best experience for everyone.

RESPECT

Treat opponents, officials, staff, and teammates with respect on and off the court.
Model this for others.

READINESS

Be prepared for 3 days of play—enough players, electrolytes, etc. Turn lineups in on time. Prepare for the worst (rain) – celebrate when we have dry skies!

FUN

Remember why we play—great tennis, great friends, great weekend!

Sportsmanship

Be a role model of good sportsmanship.

Compete hard. Win with grace. Lose with class.
Treat every opponent, official, and teammate like
a member of your USTA Florida family.
