Slash Large Medical Bills With Medical Bill Eraser by CareGuide!

Stuck with a balance medical bill over \$2,500? Don't just pay it - fight it!

Medical Bill Eraser pairs you with expert advocates who use proprietary technology and smart negotiation skills to help you reduce your out-of-pocket bill. On average, they help members reduce their balance bills by 62%!

The reality is, even smart healthcare shoppers can get hit with surprise bills. When that happens, don't go at it alone. Let a Medical Bill Eraser advocate step in to help you cut that cost down.

How to Request Help

If you have a balance medical bill over \$2,500, here's two ways to get in touch with a Medical Bill Eraser advocate.

Complete the online form at
cgasaves.com/neweralife/

Call at
1-469-902-2267

¹Medical Bill Eraser, Powered by Care Guide, services may only be used for out-of-pocket balance medical bills of \$2,500 or greater. This can be multiple bills related to one medical event. Actual results will vary by group and individual circumstance. Savings are best effort and not guaranteed or available in all cases.

The Medical Bill Eraser Journey

Here's a breakdown of how Medical Bill Eraser will help you!

1

Submit Your Request

Submit a request and upload your balance bill at cgasaves.com/neweralife/. You'll receive confirmation within 24 hours.

2

Sign the HIPPA Form

You'll receive a HIPPA Form that allows CareGuide to work on your behalf. It must be signed and returned before proceeding.

3

Get the Call

Your assigned advocate will reach out to go over your bill together, gather information about your household and discuss next steps.

4

Expert Bill Review

Your advocate gets to work hunting for billing errors, overcharges and other ways to save. They'll work directly with your provider to help get the bill down to something more manage-

5

Updates Along the Way

You'll hear from your advocate regularly, so you're always informed of the progress.

6

See the Savings

Once negotiations are complete, your advocate will provide a clear breakdown of what you saved and what you now owe.

Please keep in mind, savings are best effort and not guaranteed.
