TO OUR DEAR COMMUNITY,

We know this past year has been a long one. It's been a time in which we have all learned a great deal about the true meaning of community and the importance of belonging. Our Jewish community has been nothing short of incredible as we came together and continue to come together for one another, no matter where we are in the world. This year we came to understand our inherent connection, and what we mean to one another. We have learned that who we have is each other.

This year we know how it feels to have our sense of belonging taken away, and what it feels like to know exactly where we belong. We saw first hand that having a place to belong is not something we can ever take for granted; it is something we must actively work on developing and maintaining every single day. Something we must strive to achieve, and fight to protect. Because we belong everywhere we want to be.

Sha'arim + Gateways never takes belonging for granted. We are acutely aware of how many obstacles can stand in the way of our Jewish community members with disabilities finding a place to truly belong. That is why we work tirelessly to continue to provide inclusive opportunities and resources to our entire Twin Cities Jewish community. Any age, anytime, anywhere. Because where we belong is everywhere we want to be.

Now, more than ever, is the time for us to connect, build stronger relationships, celebrate our shared identity, and make space for as many of our community members as possible. Now is a time to strive to build a community where we can all know, with the fullest warmth and welcome, that we will always belong.

Nothing matters more to us than making sure that every Jew in our community has a place to feel welcome and accepted. In the pages that follow you will see that when we put our minds and hearts to it, we can create the most beautiful community experience. Inclusion is a Jewish value and our responsibility as a community. **Join us as we celebrate Sha'arim + Gateway's commitment to disability inclusion in the Twin Cities Jewish community at our Annual Auction event.** We invite you to become a part of creating a bigger, stronger, more welcoming community. A community where we belong.

Supporting our Annual Sha'arim + Gateways Auction at Glass House on Sunday, December 15th means we all win! We thank you for your generous support and your answer to the call as we continue building a more inclusive world; one where everyone belongs.

WHAT DOES SHA'ARIM + GATEWAYS DO?

We're here to promote disability inclusion in our community in all ways.

- We partner and consult with other Jewish organizations to help them increase their inclusion skills and support as many of our community members as possible.
- We work directly with families to provide guidance and direction throughout their journey of raising a child with a disability or identified need.
- We host a variety of programs for people with disabilities, making sure they have access to inclusive educational, social, and vocational opportunities at any age.
- We support programs happening out in the community, expanding the choices and options available to community members with disabilities.

Who does Sha'arim + Gateways service?

Sha'arim + Gateways is here for our whole Jewish community. We know that not all disabilities are alike. Some are visible, some are hidden. Some are long term, and others just require short term intervention. From preschool all the way through adulthood, Sha'arim + Gateways is here to provide direct support to individuals and families affected by disabilities of all kinds.

Our support doesn't stop with individuals. We know that inclusion is a group effort. That's why we also provide services and support for organizations, facilitators and peers out in the community who want to make their programs and events more inclusive. We offer guidance and trainings for partners and people who want to make disability inclusion a part of their everyday skill set.
