

NOTICE OF PROTECTION PROVIDED BY
ALASKA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the Alaska Life and Health Insurance Guaranty Association (Association) and the protection it provides for policyholders. This safety net was created under Alaska law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Alaska law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits
 - \$300,000 for disability insurance or long term care insurance
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in present value of annuity benefits including withdrawal and cash values
 - \$5,000,000 for covered unallocated annuities that fund other plans

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000. Special rules may apply with regard to hospital, medical, and surgical insurance benefits.

The protections listed above apply only to the extent that benefits are payable under covered policy(s). In no event will the Association provide benefits greater than those given in the life, annuity, or health insurance policy or contract.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Alaska law.

A written complaint to allege violation of any provision of the Alaska Life and Health Insurance Guaranty Association Act must be filed with the Alaska Division of Insurance, 550 West Seventh Avenue, Suite 1560, Anchorage, Alaska, 99501-3567; telephone (907) 269-7900. Financial information for an insurance company, if the insurance information is not proprietary, is available at the same address and telephone number. The Association should not be contacted regarding the financial information of an insurance company.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.aklifega.org, or contact:

Insurance companies and agents are not allowed by Alaska law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and Alaska law, then Alaska law will control.

NOTICE

Benefits paid under the Accelerated Benefits provision will reduce the Death Benefit payable for life insurance.

Benefits payable under the Accelerated Benefits provision may be taxable. If so, the Employee or the Employee's beneficiary may incur a tax obligation. As with all tax matters, an Employee should consult with a personal tax advisor to assess the impact of this benefit. Accelerated Benefits are not payable if life insurance coverage under the Policy is not in force.

ELIGIBILITY FOR INSURANCE

Classes of Eligible Persons

A person may be insured only once under the Policy as an Employee, Spouse or Dependent Child, even though he or she may be eligible under more than one class.

Employee

An Employee in one of the Classes of Eligible Employees shown in the Schedule of Benefits is eligible to be insured on the Policy Effective Date or the day after he or she completes the applicable Eligibility Waiting Period, if later.

If a person has previously converted his or her insurance under the Policy, he or she will not become eligible until the converted policy is surrendered. This does not apply to any amount of insurance that was previously converted under the Policy due to a reduction in the Employee's Life Insurance Benefits based on age or a change in class unless those conditions no longer affect the amount of coverage available to the Employee.

Except as noted in the Reinstatement Provision, if an Employee terminates coverage and later wishes to reapply, or if a former Employee is rehired, a new Eligibility Waiting Period must be satisfied. An Employee is not required to satisfy a new Eligibility Waiting Period, if insurance ends because he or she is no longer in a Class of Eligible Employees, but continues to be employed by the Employer, and within one year becomes a member of an eligible class.

Spouse

If an Insured is eligible to elect Spouse coverage, the Spouse is eligible to be insured on the date the Employee is eligible or the date he or she becomes a Spouse of an Employee, if later. The eligible Employee must be insured in order to elect spouse coverage.

For the purpose of eligibility, the Spouse must be the lawful Spouse of the Employee and not legally separated or divorced from, or widowed by the Employee.

Dependent Child

If an Insured is eligible to elect Dependent Child coverage, the Dependent Child is eligible to be insured on the date the Insured is eligible or on the date the child qualifies as a Dependent Child, if later.

In no event will a Dependent Child be eligible to become insured more than once under the Policy.

TL-004710-1

EFFECTIVE DATE OF INSURANCE

An Employee, his or her eligible Spouse or Dependent Child will be insured for an amount not to exceed the Guaranteed Issue Amount on the date he or she becomes eligible, if the Employee is not required to contribute to the cost of this insurance.

An Employee will be insured for an amount that exceeds the Guaranteed Issue Amount on the date the Insurance Company agrees in writing to insure that eligible person. The Insurance Company will require the eligible person to satisfy the Insurability Requirement before it agrees to insure him or her.

If coverage for a Dependent Child is in force and another Dependent Child becomes eligible, coverage for that child is effective on the date the child qualifies as a Dependent Child.

If an eligible Employee is not in Active Service on the date insurance would otherwise be effective, it will be effective on the date he or she returns to Active Service.

If an eligible Spouse or Dependent Child is:

1. an inpatient in a hospital, hospice, rehabilitation or convalescence center, or custodial care facility; or
 2. confined to his or her home under the care of a Physician
- on the date insurance would otherwise be effective, it will be effective on the date he or she is no longer an inpatient in these facilities or confined at home. If such Spouse or Dependent Child was covered by the Prior Plan immediately prior to the Policy Effective Date, this provision will not apply to the amount of coverage in effect as of the Policy Effective Date, but will apply to any increase in coverage. This does not apply to a Dependent Child who is age 6 months or less.

TL-004712

Takeover Provision

Special Terms Applicable to Previously Insured Employees Not in Active Service and Their Dependents

Coverage will not go into effect for an Employee, or his or her Spouse and Dependent Children unless the Employee is in Active Service on the date the Employee would have first become eligible to be insured under the Policy.

However:

1. if such Employee, and his or her Spouse or Dependent Children were insured under a Prior Plan on the date immediately prior to the date the Employee would have first become eligible to be insured under this Policy had the Employee satisfied the Active Service requirement, and
 2. if such Employee, Spouse or Dependent Child dies,
- the Insurance Company agrees to provide a Death Benefit only equal to the lesser of:
- a. the amount due under this Policy (had the Employee satisfied the Active Service requirement), or
 - b. the amount that would have been due under the Prior Plan had it remained in force.

The benefit amount will be reduced by any amount paid by the Prior Plan, or that would have been paid had this Policy not been issued and had timely filing of the claim been made under the Prior Plan.

These special terms will end on the earliest of the following dates:

1. the date the Employee meets the Active Service requirements;
2. the date insurance terminates for one of the reasons stated in the Termination of Insurance provision;
3. 12 months after the date the Employee first becomes eligible under this Policy; or
4. the last day the Employee, Spouse or Dependent Children would have been covered under the Prior Plan if coverage of the Employee, Spouse or Dependent Children under that plan was still in force.

TL-009020-1

TERMINATION OF INSURANCE

An Insured's coverage will end on the earliest of the following dates:

1. the date the Employee is eligible for coverage under a plan intended to replace this coverage;
2. the date the Policy is terminated by the Insurance Company;
3. the date the Insured is no longer in an eligible class;
4. the date coinciding with the end of the last period for which premiums are paid;
5. the date an Employee is no longer in Active Service;
6. for an Employee, Spouse and Dependent Child, the date the Employer cancels participation under the Policy; and
7. the date coverage for the Employee ends, for any insured Spouse and Dependent Child.

TL-004714-1

CONTINUATION OF INSURANCE

If an Employee is no longer in Active Service, he or she may be eligible to continue insurance. The following provisions explain the continuation options available under the Policy. Please see the Schedule of Benefits to determine the applicability of these benefits on a class level.

Continuation for Layoff, Temporary Leave of Absence or Family Medical Leave

If an Employee's Active Service ends due to a layoff, Employer approved unpaid leave of absence, or family medical leave of absence, insurance will continue for up to the Maximum Benefit Period shown in the Schedule of Benefits, if the required premium is paid.

Continuation for Disability for Employees over Age 60

If an Employee becomes Disabled and is age 60 or over, the Life Insurance Benefits shown in the Schedule of Benefits will be continued, provided premiums are paid, until the earlier of the following dates:

1. The date the Employee is no longer Disabled.
2. The date following the Maximum Benefit Period shown in the Schedule of Benefits.
3. The date coinciding with the end of the last period for which premiums are paid.
4. The date the Policy is terminated by the Insurance Company.

Amount of Insurance

If an Employee dies while he or she is Disabled and coverage is continued under this provision, the Insurance Company will pay a Death Benefit equal to the amount in effect on the date the Employee became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while coverage is continued under this provision. The Insurance Company will pay benefits only if due proof of the Employee's continuous Disability is received within one year of the date of the loss.

“Disability”/“Disabled” means because of Injury or Sickness the Employee is unable to perform all the material duties of his or her Regular Occupation; or is receiving disability benefits under the Employer's plan.

“Regular Occupation” means the occupation the Employee routinely performs at the time the Disability begins. The Insurance Company will consider the duties of the occupation as it is normally performed in the general labor market in the national economy.

Extended Death Benefit with Waiver of Premium

Extended Death Benefit

If an Employee becomes Disabled and is less than age 60, the Life Insurance Benefits shown in the Schedule of Benefits will be extended without premium payment until the earlier of the following dates:

1. The date the Employee is no longer Disabled; or
2. 12 months after the end of Active Service.

Amount of Insurance

If an Employee dies while he or she is Disabled and coverage is extended under this provision, the Insurance Company will pay a Death Benefit equal to the amount in effect on the date the Employee became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while premiums are waived. The Insurance Company will pay benefits only if due proof of the Employee's continuous Disability is received within one year of the date of the loss.

“Disability”/“Disabled” means because of Injury or Sickness the Employee is unable to perform the material duties of his or her Regular Occupation; or is receiving disability benefits under the Employer’s plan.

“Regular Occupation” means the occupation the Employee routinely performs at the time the Disability begins. The Insurance Company will consider the duties of the occupation as it is normally performed in the general labor market in the national economy.

Waiver of Premium

If such an Employee submits satisfactory proof that he or she has been continuously Disabled for the Waiver Waiting Period shown in the Schedule of Benefits, coverage will be extended up to the Maximum Benefit Period shown in the Schedule of Benefits.

Such proof must be submitted to the Insurance Company no later than 3 months after the date the Waiver Waiting Period ends. Premiums will be waived from the date the Insurance Company agrees in writing to waive premiums for that Employee.

After premiums have been waived for 12 months, they will be waived for future periods of 12 months, if the Employee remains Disabled and submits satisfactory proof that Disability continues. Satisfactory proof must be submitted to the Insurance Company 3 months before the end of the 12-month period.

Amount of Insurance

If an Employee dies while he or she is Disabled and coverage is continued under this provision, the Insurance Company will pay a Death Benefit equal to the amount in effect on the date the Employee became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while premiums are waived. The Insurance Company will pay benefits only if due proof of the Employee’s continuous Disability is received within one year of the date of the loss.

Termination of Waiver

Insurance will end for any Employee whose premiums are waived on the earliest of the following dates.

1. The date he or she is no longer Disabled;
2. The date he or she refuses to submit to any physical examination required by the Insurance Company;
3. The date he or she refuses to participate in a Rehabilitation Plan for which the Insurance Company determines him or her to be eligible;
4. The last day of the 12-month period of Disability during which he or she fails to submit satisfactory proof of continued Disability;
5. The date following the end of the Maximum Benefit Period shown in the Schedule of Benefits.

“Disability/Disabled” means because of Injury or Sickness an Employee is unable to perform the material duties of his or her Regular Occupation, or is receiving disability benefits under the Employer’s plan, during the initial 9 months of Disability. Thereafter, the Employee must be unable to perform all of the material duties of any occupation which he or she may reasonably become qualified based on education, training or experience, or is subject to the terms of a Rehabilitation Plan approved by the Insurance Company.

“Regular Occupation” means the occupation the Employee routinely performs at the time the Disability begins. The Insurance Company will consider the duties of the occupation as it is normally performed in the general labor market in the national economy.

Rehabilitation During a Period of Disability

If the Insurance Company determines that a Disabled Employee is a suitable candidate for rehabilitation, the Insurance Company may require the Employee to participate in an assessment and Rehabilitation Plan, not to exceed 18 months, at our expense. The Insurance Company has the sole discretion to approve the Employee's participation in a Rehabilitation Plan and to approve a program as a Rehabilitation Plan. If an Employee fails to fully cooperate in all required phases of the Rehabilitation Plan and assessment without Good Cause, insurance under the Policy will end.

“Good Cause” means a medical reason preventing participation, in whole or in part, in the Rehabilitation Plan. Satisfactory proof of Good Cause must be provided to the Insurance Company.

“Rehabilitation Plan” means a written plan designed to enable the Employee to return to work. The Rehabilitation Plan will consist of one or more of the following phases:

1. Rehabilitation, under which the Insurance Company may provide, arrange or authorize educational, vocational or physical rehabilitation or other appropriate services;
2. Work, which may include modified work and work on a Part-time basis.

“Part-time” means regularly working less than the number of full time hours set by the Employer as a regular work day for Employees in an Eligible Class of Employees in the Policy.

DESCRIPTION OF BENEFITS

The following provisions explain the benefits available under the Policy. Please see the Schedule of Benefits for the applicability of these benefits on a class level.

LIFE INSURANCE BENEFITS

Death Benefit

If an Insured dies, the Insurance Company will pay the Life Insurance Benefit in force for that Insured on the date of his or her death.

TL-004730

Accelerated Benefits

Any benefits payable under this and under any similar Accelerated Benefits provision accelerated under a Prior Plan will reduce the Death Benefit payable for Life Insurance. We will deduct from any Death Benefit payable under this Policy, the amount of any similar accelerated benefit paid under a Prior Plan.

Any automatic increases in Life Insurance Benefits will end when benefits are payable under this provision, unless the Insured is determined by the Insurance Company not to be eligible for Accelerated Benefits.

Terminal Illness Benefit

The Insurance Company will pay a Terminal Illness Benefit to an Insured who has incurred a Terminal Illness while insured under this provision.

The Terminal Illness Benefit is shown on the Schedule of Benefits.

A claim for a similar terminal illness benefit under a Prior Plan or group policy intended to replace this Policy shall be deemed payable until such time as it is finally determined not to be payable.

Determination of Terminal Illness

For the purpose of determining the existence of a Terminal Illness, the Insurance Company will require the Insured submit the following proof:

1. A written diagnosis and prognosis by a licensed Physician; and
2. Supportive evidence satisfactory to the Insurance Company, including but not limited to, radiological, histological or laboratory reports documenting the Terminal Illness.

The Insurance Company may require, at its expense, an examination of the Insured and a review of the documented evidence by a Physician of its choice.

Such proofs must be submitted to the Insurance Company within the period of time provided in the *Proof of Loss* section of the Policy. For purposes of this Benefit, the date of loss shall be the date of first prognosis of Terminal Illness.

"Terminal Illness" means that, due to an Injury or Sickness, the Insured has a prognosis of 12 months or less to live without reasonable prospect of recovery, as determined by the Insurance Company.

Payment of Terminal Illness Benefit

The Terminal Illness Benefit will be payable in accordance with the provisions of the *To Whom Payable* section of the Policy.

The Terminal Illness Benefit is payable only once under the Policy in an Insured's lifetime.

Conditions Applicable to Coverage

Unless the Insured qualifies for waiver of premium, premium payments must continue to be paid on the full amount of group life insurance, including during any Continuation of Insurance under the Policy, in accordance with the *Premium* section in the *Administrative Provisions*.

The amount of Life Insurance which may be converted under the *Conversion Privilege* cannot exceed the amount of the reduced death benefit payable under the Policy.

Before a Terminal Illness Benefit is paid in a Community Property state, the Insurance Company may require the written consent of the Insured's Spouse.

Exclusions Applicable to Terminal Illness Benefit

A Terminal Illness Benefit will not be payable:

1. when the Insured has irrevocably assigned group life insurance under this Policy;
2. when all or a portion of group life insurance benefits under this Policy are to be paid to a former spouse as part of a qualified domestic relations order;
3. for any intentionally self-inflicted Injury or Sickness, or suicide attempt;
4. if the Insured's coverage ends under the *Termination of Insurance* provision prior to the prognosis of Terminal Illness;
5. if the required premium is due and unpaid;
6. if this Policy terminates prior to the prognosis of Terminal Illness;
7. if the Employee or Insured is only provided coverage under the Takeover provision of the Policy (Employees Not in Active Service on the Policy Effective Date); or
8. if the date of first prognosis of Terminal Illness occurs more than 12 months before the submission of the Terminal Illness claim.

Conversion Privilege for Life Insurance

Each Insured may convert all or any portion of his or her Life Insurance that would end under the Policy due to:

1. termination of employment;
2. termination of membership in an eligible class under the Policy;
3. termination of the Policy.

The Insured may apply for any type of life insurance the Insurance Company offers to persons of the same age in the amount applied for, except the Insured may not:

1. choose term insurance;
 2. apply for an amount of insurance greater than the coverage amount terminating under the Policy (also, the conversion policy will not provide accident, disability or other benefits); or
 3. apply for more than \$10,000 of insurance if the Policy is terminated or amended to terminate the insurance for any class of Insureds, or the Employer cancels participation under the Policy.
- Conversion in these cases is only permitted if the Insured has been covered by the Policy or, any group life insurance policy issued to the Employer which the Policy replaced, for at least 3 years.

If the Insured becomes eligible for coverage under any group life policy within 31 days of termination of coverage under this Policy, the Insured may not convert an amount of insurance greater than the amount of coverage terminating under the Policy less the amount for which he or she may be covered under the other policy.

To apply for conversion insurance, the Insured must, within 31 days after coverage under the Policy ends:

1. submit an application to the Insurance Company; and
2. pay the required premium.

Evidence of insurability is not required.

Premium for the conversion insurance will be based on the age and class of risk of the Insured and the type and amount of coverage issued.

If the Insured has assigned ownership of his group coverage, the owner/assignee must apply for the individual policy.

Conversion insurance will become effective on the 31st day after the date coverage under the Policy ends provided the application is received by the Insurance Company and the required premium has been paid.

If the Insured dies during the 31-day conversion period, the Life Insurance benefits will be paid under the Policy regardless of whether he or she applied for conversion insurance. If a conversion policy is issued, it will be in exchange for any further benefits for that type and amount of insurance from this Policy.

Extension of Conversion Period

If an Insured is eligible for conversion insurance and is not notified of this right at least 15 days prior to the end of the 31-day conversion period, the conversion period will be extended. The Insured will have 15 days from the date notice is given to apply for conversion insurance. In no event will the conversion period be extended beyond 90 days. Notice, for the purpose of this section, means written notice presented to the Insured by the Employer or mailed to the Insured's last known address as reported by the Employer.

If the Insured dies during the extended conversion period, but more than 31 days after his or her coverage under the Policy terminates, Life Insurance benefits:

1. will not be paid under the Policy; and
2. will be payable under the conversion insurance; provided:
 - a. the Insured's application for conversion insurance has been received by the Insurance Company; and
 - b. the required premium has been paid.

Prior Conversion Limitation

If an Insured is covered under a life insurance conversion policy previously issued by the Insurance Company, he or she will not be eligible for this Conversion Privilege unless the prior coverage has ended.

CLAIM PROVISIONS

Notice of Claim

Written notice, or notice by any other electronic/telephonic means authorized by the Insurance Company, must be given to the Insurance Company within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written notice, or notice by any other electronic/telephonic means authorized by the Insurance Company, is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at our home office in Philadelphia, Pennsylvania or to our agent. Notice should include the Employer's Name, the Policy Number and the claimant's name and address.

Written notice or any other electronic/telephonic means authorized by the Insurance Company of a diagnosis of a Terminal Illness on which claim is based must be given to us within 60 days after the diagnosis. If notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written notice or any other electronic/telephonic means authorized by the Insurance Company was given as soon as reasonably possible.

Claim Forms

When the Insurance Company receives notice of claim, the Insurance Company will send claim forms for filing proof of loss. If claim forms are not sent within 15 days after notice is received by the Insurance Company, the proof requirements will be met by submitting, within the time required under the "Proof of Loss" section, written proof, or proof by any other electronic/telephonic means authorized by the Insurance Company, of the nature and extent of the loss.

Claimant Cooperation Provision

Failure of a claimant to cooperate with the Insurance Company in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data

The Employer is required to cooperate with the Insurance Company in the review of claims and applications for coverage. Any information the Insurance Company provides in these areas is confidential and may not be used or released by the Employer if not permitted by applicable privacy laws.

Proof of Loss

Written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, must be given to the Insurance Company within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, must be given not more than one year after that 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by the Insurance Company, is provided outside of these time limits, the claim will be denied. These time limits will not apply while the person making the claim lacks legal capacity.

Written proof, or any other electronic/telephonic means authorized by the Insurance Company, of loss for Accelerated Benefits must be furnished 90 days after the date of diagnosis. This proof must describe the occurrence, character and diagnosis for which claim is made.

In case of claim for any other loss, proof must be furnished within 90 days after the date of such loss.

If it is not reasonably possible to submit proof of loss within these time periods, the Insurance Company will not deny or reduce any claim if proof is furnished as soon as reasonably possible. Proof must, in any case, be furnished not more than a year later, except for lack of legal capacity.

Time of Payment

Benefits due under the Policy for a loss, other than a loss for which the Policy provides installment payments, will be paid immediately upon receipt of due written proof of such loss.

Subject to the receipt of satisfactory written proof of loss, all accrued benefits for loss for which the Policy provides installments will be paid monthly; any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof, unless otherwise stated in the Description of Benefits.

Manner of Payment of Claims

The Subscriber authorizes that any benefit payment due as a lump sum of \$5,000 or more shall be credited to a draft account with the Insurance Company, in the name of the beneficiary. The beneficiary may withdraw the entire proceeds at any time by issuing one or more drafts, or may withdraw lesser amounts, subject to a minimum account balance set by the Insurance Company from time to time. Interest shall be credited to such account at rates as determined from time to time by the Insurance Company.

To Whom Payable

Death Benefits will be paid to the Insured's named beneficiary, if any, on file at the time of payment. If there is no named beneficiary or surviving beneficiary, Death Benefits will be paid to the first surviving class of the following living relatives: spouse; child or children; mother or father; brothers or sisters; or to the executors or administrators of the Insured's estate. The Insurance Company may reduce the amount payable by any indebtedness due.

All benefits payable under the Accelerated Benefits section are payable to the Insured, if living. If the Insured dies prior to the payment of an eligible claim for an Accelerated Benefit, benefits will be paid in accordance with the provisions applicable to the payment of Life Insurance proceeds, unless the Insured has directed us otherwise in writing. However, any payment made by us prior to notice of the Insured's death shall discharge us of any benefit that was paid.

All other benefits, unless otherwise stated in the Policy, will be payable to the Insured or the certificate owner if other than the Insured.

Any other accrued benefits which are unpaid at the Insured's death may, at the Insurance Company's option, be paid either to the Insured's beneficiary or to the executor or administrator of the Insured's estate.

If the Insurance Company pays benefits to the executor or administrator of the Insured's estate or to a person who is incapable of giving a valid release, the Insurance Company may pay up to \$1,000 to a relative by blood or marriage whom it believes is equitably entitled. This good faith payment satisfies the Insurance Company's legal duty to the extent of that payment.

Change of Beneficiary

The Insured may change the beneficiary at any time by giving written notice to the Employer or the Insurance Company. The beneficiary's consent is not required for this or any other change which the Insured may make unless the designation of beneficiary is irrevocable.

No change in beneficiary will take effect until the form is received by the Employer or the Insurance Company. When this form is received, it will take effect as of the date of the form. If the Insured dies before the form is received, the Insurance Company will not be liable for any payment that was made before receipt of the form.

Physical Examination and Autopsy

ADMINISTRATIVE PROVISIONS

Premiums

The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

If the Insured's coverage amount is reduced due to acceleration of his or her Death Benefit, his or her premium will be based on the amount of coverage he or she has in force on the day before the reduction took place. If the Insured's coverage amount is reduced due to his or her attained age, premium will be based on the amount of coverage in force on the day after the reduction took place.

Changes in Premium Rates

The premium rates may be changed by the Insurance Company from time to time with at least 31 days advance written notice. No change in rates will be made until 36 months after the Policy Effective Date. An increase in rates will not be made more often than once in a 12 month period. However, the Insurance Company reserves the right to change the rates even during a period for which the rate is guaranteed if any of the following events take place.

1. The terms of the Policy change.
2. A division, subsidiary, affiliated company or eligible class is added or deleted from the Policy.
3. There is a change in the factors bearing on the risk assumed.
4. Any federal or state law or regulation is amended to the extent it affects the Insurance Company's benefit obligation.
5. The Insurance Company determines that the Employer has failed to promptly furnish any necessary information requested by the Insurance Company, or has failed to perform any other obligations in relation to the Policy.

If an increase or decrease in rates takes place on a date that is not a Premium Due Date, a pro rata adjustment will apply from the date of the change to the next Premium Due Date.

Reporting Requirements

The Employer must, upon request, give the Insurance Company any information required to determine who is insured, the amount of insurance in force and any other information needed to administer the plan of insurance.

Payment of Premium

The first premium is due on the Policy Effective Date. After that, premiums will be due monthly unless the Employer and the Insurance Company agree on some other method of premium payment.

If any premium is not paid when due, the plan will be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

Notice of Cancellation

The Employer or the Insurance Company may cancel the Policy as of any Premium Due Date by giving 31 days advance written notice. If a premium is not paid when due, the Policy will automatically be canceled as of the Premium Due Date, except as provided in the Policy Grace Period section.

Policy Grace Period

A Policy Grace Period of 31 days will be granted for the payment of the required premiums under this Policy. This Policy will be in force during the Policy Grace Period. The Employer is liable to the Insurance Company for any unpaid premium for the time this Policy was in force.

Draft Accounts

The Insurance Company shall be entitled to retain, as part of its compensation, any earnings on draft accounts created in connection with benefit claims, in excess of interest credited under the terms of the policy.

Reinstatement of Insurance

Coverage may be reinstated without satisfying the Insurability Requirement, if an Employee's insurance ends because he or she is on an unpaid leave of absence and he or she applies for Reinstatement within 31 days of his return to Active Service.

After an Insured's coverage has ceased, it may be reinstated at any date prior to five years after the date of termination if the following conditions are met:

1. The Policy is still in force.
2. The Insured is eligible under the Policy.
3. A written request for reinstatement and a new enrollment form are sent to the Insurance Company.

Incontestability

All statements made by the Employer or by an Insured are representations not warranties. No statement will be used to deny or reduce benefits or as a defense to a claim, unless a copy of the instrument containing the statement has been furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Insured's effective date of insurance, or from the effective date of any added or increased benefits, no such statement will cause insurance to be contested except for fraud or eligibility for coverage.

Misstatement of Age

If an Insured's age has been misstated, the Insurance Company will adjust all benefits to the amounts that would have been purchased for the correct age.

Policy Changes

No change in the Policy will be valid until approved by an executive officer of the Insurance Company. This approval must be endorsed on, or attached to, the Policy. No agent may change the Policy or waive any of its provisions.

Assignment of Benefits

The Insurance Company will not be affected by the assignment of an Insured's certificate until the original assignment or a certified copy of the assignment is filed with the Insurance Company. The Insurance Company will not be responsible for the validity or sufficiency of an assignment. An assignment of benefits will operate so long as the assignment remains in force provided insurance under the Policy is in effect. This insurance may not be levied on, attached, garnisheed, or otherwise taken for a person's debts. This prohibition does not apply where contrary to law.

Clerical Error

A person's insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.

NOTICE: FOR EMPLOYERS LOCATED IN CALIFORNIA, YOU MUST PROVIDE COVERAGE TO CALIFORNIA RESIDENTS WHO ARE IN A REGISTERED DOMESTIC PARTNERSHIP.

APPLICABLE TO FLORIDA RESIDENTS:

The benefits of the policy providing your coverage are governed primarily by the law of a state other than Florida.

APPLICABLE TO MARYLAND RESIDENTS:

The Group Insurance Policy was issued in a jurisdiction other than Maryland and may not provide all of the benefits required by Maryland law.

APPLICABLE TO MINNESOTA RESIDENTS:

The following "Continuation of Life Insurance" provision is applicable to Minnesota residents if the Employer has a minimum of 25 Employees who reside in Minnesota, the Minnesota Employees represent at least 25% of all covered Employees under the Policy, and the Policy does not offer Portability.

Continuation Of Life Insurance – This provision shall not apply to the extent that the Policy provides for the right of Employees to continue insurance on a direct billed basis following termination of employment (Portability).

This provision shall apply with respect to Employees whose coverage under the Policy is terminated due to: (i) voluntary or involuntary termination or layoff from employment, for any reason other than gross misconduct; or (ii) reduction in hours such that the Employee is not eligible for insurance under the Policy. This provision shall only apply to Employees who, on such date, are Minnesota residents.

This provision shall also apply with respect to Employees whose coverage under the Policy's Takeover Provision ends, for any reason other than the Employee meeting the Policy's Active Service requirement.

For those *Employees subject to* this provision, life insurance coverage may be continued under the Policy for 18 months or until the date that the Employee becomes covered under another group policy, whichever is shorter. Coverage provided under this provision will also end if the Policy is terminated.

The premium required for continued coverage shall be the premium under the Policy applicable to the Employee's class and amount of coverage. The Employer may charge an additional amount, not to exceed 2% of such premium, for collecting premium contributions from former Employees. The Employer shall notify the Employee of the right to continue and the required premium contribution. The Employee may elect to continue within 60 days of termination by paying the required premium, and may continue coverage in force by paying the required premium, without demand, on a monthly basis, as of the first of each month, to the Employer. Coverage will end at the end of any month in which the Employee has failed to pay premium to the Employer.

If continued coverage remains in force at the end of the 18 month period, or on termination of the Policy, the Employee may choose any conversion right then available under the Policy.

In the event the Employee dies during the 60 day right to elect period without having become insured under another group policy, or dies while continued coverage is in force, the death benefit will be paid to the beneficiary chosen by the Employee under the terms of the Policy.

Continued coverage will include eligible dependents who were covered on the Employee's date of termination, provided the dependent remains eligible as a dependent of the Employee. In the event that the dependent ceases to be eligible, the dependent may choose any conversion right then available under the Policy.

2. Spouse means:
 - a. "Lawful spouse" and includes a lawful spouse of the same sex.
 - b. This also includes a partner to a civil union recognized under Vermont Law.

Continuation of Life Coverage During Labor Disputes

If an Employee's Active Service ends because of a Labor Dispute and his or her premium for Life Insurance Benefits under the Policy is paid either by the Employer, in whole or in part, or by the Employee through payroll deductions, then the Employee may continue his or her Life Insurance Benefits. The Employer will send written notice of the right to continue coverage to each insured Employee at his or her most recent address as on file with the Employer.

To continue coverage, the Employee must pay premiums directly to the Employer, who will remit the premiums to the Insurance Company. Premiums must be paid by the date they are due, subject to the 31 day grace period. Policy coverages and premiums will stay the same during a Labor Dispute; however, the Insurance Company may make normal changes in premium rates when the Policy is renewed, under the terms set forth in the Policy.

Coverage continued in this manner will end on the earliest of the following dates.

- a. The date the Labor Dispute has ended.
- b. The date coverage has been continued for 6 months.

If the Labor Dispute continues beyond 6 months, the Employee may apply for an individual insurance policy, as set forth in detail under "Conversion Privilege for Life Insurance."

"Labor Dispute," as used here, means a strike, lockout, or other labor dispute between the Employer and its Employees, during which time the Employee is not paid by the Employer.

2. If the Policy provides coverage to dependents, benefits for a Spouse or Dependent Child are limited to 100% of the insured Employee's coverage amount . Stand-alone Spouse and Dependent Child coverage (when Employee is not insured) is not permitted.
3. To the extent the policy includes *Accelerated Benefits*, the following resolution of disputes requirements are added to the Policy.

- For Terminal Illness – *Determination of Terminal Illness*

In the event the Physician representing the Insurance Company disputes the existence of a Terminal Illness, and the dispute cannot be resolved, the Insured has the right to mediation and binding arbitration in accordance with Washington Administrative Code 284-23-730.

4. The *Incontestability Provision* is replaced as follows:

Incontestability

No statement will be used to deny or reduce benefits or as a defense to a claim, unless a copy of the instrument containing the statement has been furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Insured's effective date of insurance, or from the effective date of any added or increased benefits, no such statement will cause insurance to be contested.

5. If the term “*Accident*” is defined in the Policy, it is replaced by the following:

Accident

An Accident is a sudden, unforeseeable event that causes bodily Injury to an Insured while coverage is in force under the Policy.

6. If the Policy provides coverage/benefits to a Spouse, a *Domestic Partner* will be afforded the same coverage/benefits provided to a Spouse.

Domestic Partner means a person with whom the Employee has a registered domestic partnership under Washington state law which imposes legal obligations on the parties substantially similar to marriage.

7. **NOTICE: MUST PROVIDE DOMESTIC PARTNER COVERAGE FOR WASHINGTON RESIDENTS**
