

Financial Assistance Policy  
Plain Language Summary

Bozeman Health is committed to providing access to emergency and medically necessary healthcare services to patients who are uninsured or have limited insurance available.

Generally speaking, to be eligible for discounted charges, patients must have family incomes under 400% of the Federal Poverty Guidelines. To be eligible for free care, patients must have family incomes at or below the Federal Poverty Guidelines.

Financial assistance also may be available in other limited circumstances, depending on the size of the patient's medical bills and whether the patient meets certain other criteria for eligibility.

Patients may apply for financial assistance by completing a Financial Assistance Application. Copies of the Financial Assistance Application, as well as Bozeman Health's Financial Assistance Policy, are available at [www.bozemanhealth.org](http://www.bozemanhealth.org). Patients may also apply for financial assistance on their MyChart account

Patients may also receive free copies of the Financial Assistance Application and the policies by mail, by calling 406-414-1015, or may obtain free copies in person at the Bozeman Health Emergency Department, at Bozeman Health Patient Registration areas or at the Bozeman Health Patient Financial Services (PFS), 1600 Ellis Street, Third Floor (across Highland Boulevard from the hospital in the Legacy Building).
