

Dear Member:

Thank you for your continued commitment to Cape Regional Health System through your membership in the Cape Regional Auxiliary. This note is coming to you as a reminder that Cape Regional Auxiliary dues are now payable for calendar year 2022.

This year has already started off as a busy one ... Thank you to all who responded so generously to the Cape May Branch Bakeless Bake Sale. We are thrilled to say that we exceeded \$1000 in donations through that initiative! The Auxiliary Exec team is also busy planning events for the coming year ... look for more information to come about the Designer Bag Bingo (tentatively scheduled for May 21<sup>st</sup>), the 2022 Raffle (an all-cash raffle this year), and several other fun events!

Your support as a member is greatly appreciated. Annual dues of \$15 (an amount that has not changed in many years) help us to cover the administrative costs for our fundraising events as well as contribute towards the current pledge. With your support, we have already contributed over \$400,000 towards our \$1.5M pledge to the Claire C. Brodessor Surgery Center Capital Campaign. If you are able and so inclined, we greatly appreciate your contribution of any donation amount in addition to the \$15 dues.

As always, thank you for everything you do! We look forward to your continued membership and support. We welcome participating in our monthly meetings and hope to see you soon at a meeting or event soon!
