It was an unbelievable honor, that the entire CarolinaEast family will remember forever, to assist Dylan and his family during his cancer journey. 2019 DOCTOR'S DAY

The CarolinaEast Foundation recognizes that the medical strength of this community is in large part a result of the skilled and caring doctors who have chosen to make Eastern North Carolina their home and practice medicine here. Committed physicians make our community stronger and better. Please consider honoring a local physician this Doctor's Day, March 30th, through a gift to the CarolinaEast Foundation. We will share your personal message with the doctor you designate. Gifts can be made online at CarolinaEastFoundation.com.

HEALTH SYSTEM SPOTLIGHT

On February 18th, CarolinaEast Health System employees proudly announced the results of the rescheduled 2018 employee campaign. Over \$450,000 was raised by the employees of the Health System through the campaign that was rescheduled to late January due to Hurricane Florence. Many of the employee donors were significantly affected personally by Hurricane Florence. The selfless giving through this campaign is an amazing testament to the quality of human beings that work for CarolinaEast. Thank you CarolinaEast employees.
