

MISSION

Promote Health in Our Region
 Support the Healthcare Community
 Assist Individuals with Healthcare Needs

CAROLINA EAST FOUNDATION

THE ALLEN AND KIM HARDISON PULMONARY HEALTH FUND

The CarolinaEast Foundation is honored to announce the creation of a new fund by Health System Vice Chairman, Allen Hardison. **The Allen and Kim Hardison Pulmonary Health Fund.**

This fund will support the health care journey and education of individual patients with chronic pulmonary diseases.

The fund is open for additional donations at CarolinaEastFoundation.com.

The Foundation is honored to steward this fund and be of service to these special pulmonary patients.

Thank you Allen for remembering Kim this special way.

CAROLINA EAST FOUNDATION'S JOSEPH HAGEMAN NURSING APPRECIATION & SCHOLARSHIP DINNER

Nurses play an important role in providing exceptional patient care. On May 22nd, the Foundation will host this year's nursing appreciation and scholarship dinner. The CarolinaEast Foundation will award 12 nursing scholarships to outstanding students from Craven, Carteret, Jones, Onslow or Pamlico Counties. If you are interested in sponsoring this important event or attending the dinner, please call the foundation office at 252-633-8247. We hope to see you there!

HEALTH SYSTEM SPOTLIGHT

Correction: CarolinaEast is among the top 200 US Hospitals included in the Newsweek Magazine World's 1000 Best Hospitals. Of the 226 United States hospitals included on the globally comprehensive list of the world's best hospitals, CarolinaEast Medical Center came in at the 197th position. Top 200 in the Country and amongst the top 1000 in the world – pretty impressive.

NEW BERN GET YOUR COLOR ON

Thank you New Bern Get Your Color On for this very special art piece created by Sarah Finch at an annual block party.

We are honored to partner with such a wonderful group of people committed to helping cancer patients on their journey.

The New Bern Get Your Color On fund at the Foundation supports those affected by all types of cancer by providing care and comfort to cancer patients within our community.
