CAROLINA EAST FOUNDATION

SUPPORTING OUR COMMUNITY

The second cycle of grant support in 2019 was awarded in August. Eight local non-profits were awarded a total of \$96,110.00 to assist with their healthcare initiatives.

The Foundation was proud to support and partner with the following non-profit organizations: **Backpack Blessings, The Bike Box Project, Catholic Charities, Eastern Pregnancy Information Clinic, Hope Clinic, Mile of Hope Foundation, SECU Family House at UNC Hospitals, Uptown Business and Professional Association.** Combined with the first grant cycle, the Foundation supported 20 organizations totaling \$174,710 in fiscal year 2019.

Please join us December 7th in supporting an awesome community holiday event, **Breakfast With Santa.**

This is an important fundraiser for the CarolinaEast Foundation as well as a super fun day for over 500 local children.

Please consider sponsoring the event or a special family to attend. Live holiday music, Santa and Mrs. Claus, crafts, Polar Express, breakfast and a Kids Only Gift Shop are a few of the highlights.

We are grateful that Garber United Methodist Church has opened their doors to host this event for the second year in a row. To sponsor or register a child, please go to carolinaeastfoundation.com.

10TH ANNUAL CRAVEN CANCER CLASSIC

The 10th annual Craven Cancer Classic was held on October 18, 2019 at the New Bern Golf & Country Club. Proceeds from this tournament support the Foundation's Scott Davenport/ Brian Fisher/John Aylward Cancer Warrior Fund. This fund has helped over 1,050 local cancer patients and family members with cancer-care related costs such as transportation, medical equipment, nutritional supplements, and lodging for out of town treatment. The tournament itself has raised over \$290,000 since it began in 2010. Mark your calendars for October 16, 2020 for the 11th annual Craven Cancer Classic!
