COVID-19 Testing

❖ Cass Regional Medical Center's Laboratory does not provide outpatient COVID-19 testing for individuals, travel, or other medical providers or facilities.

❖ If you are a current patient with one of the six Cass Regional Medical Center family medicine clinics listed below, contact your primary care provider if you are having symptoms consistent with COVID-19 to schedule an appointment for testing. Asymptomatic and travel testing is not provided at these locations.

Harrisonville Medical Clinic	(816) 380-7470
Peculiar Medical Clinic	(816) 779-1100
Archie Medical Clinic	(816) 430-5777
Garden City Medical Clinic	(816) 773-6203
Pleasant Hill Medical Clinic	(816) 540-2111
Kingsville Medical Clinic	(816) 597-3500

❖ Contact your primary care provider outside of the Cass Regional Medical Center network to discuss their testing availability.

❖ Cass County Health Department
Call (816)380-8425 to make an appointment for testing

❖ Additional testing opportunities in the Kansas City metro area can be found at PrepareMetroKC.org
