UPDATES ON THE FOUNDATION SIDE of the Auxiliary Foundation

The Villages® Regional Hospital Auxiliary Foundation exists solely to support the mission of TVRH as well as the programs and services it provides. The foundation is charged with securing funds to support the efforts of the hospital to improve patient care.

Our not-for-profit organization was founded in 2013. It is an outgrowth of years of dedicated service by the hospital auxiliary—whose 900+ members provide comfort to patients and their families through direct contact, supportive services and fundraising. The Foundation sponsors many short-term events and long-term efforts in order to achieve the financial goals needed to support TVRH.

Short-term Fundraisers

The Foundation is currently promoting a chance drawing to win a Viking River Cruises, a Bike Weekend, and New Seminars. In early 2018, watch for details on the HOEDOWN (Jan 12) and the Hearts for Our Hospital GALA (Feb 10.) (If you are interested in working the Gala, contact Jeannie Rogale at Jeanniero@comcast.net)

We frequently feature the Foundation side of the Auxiliary Foundation to keep you informed of what they are doing in the fundraising area.

It is important to be aware of what is happening in the big picture.

In this issue, you will learn about some of their efforts and successes which cannot be achieved without creative and knowledgeable people behind the scenes ... staff at the Foundation Office includes:

Richard Campbell – Executive Director
Bonnie Albion – Accounting Assistant
Milly Barbarite – Administrative Assistant
Cathy Reardon – Development Coordinator
Barbara Richardson – Administrative Assistant
Deidre Rosemond – Patient Navigator
Shelly Scarbrough – Senior Development Associate

(Foundation, continued on page 3)
Our 900 plus volunteers can certainly answer this question. You are all helping patients, family, friends and each other every time you work your shift at the Hospital. Thank you for your time, support and resources.

A Successful Teen Volunteer Program

The summer is flying by and it is almost time for some of the high schools in our area to get started again. George Counselman has worked diligently to make certain all of our teen volunteers had a very positive learning experience during their time with us. And he extends his thanks to all departments which accepted students this year. We hope more departments will use students next summer because of the success we have had this year. I extend my thanks to George for accepting this challenge this summer.

A Volunteer Recruitment Day

On July 15 the Volunteer Placement Office held a very successful recruitment event and over 35 new volunteers signed up. At this time we have 88 shifts still open so more volunteers are still needed. Many of the Volunteer Department Chairs were there to meet, greet and explain their department’s activities. We are very grateful for their support.

(See more information about the Recruitment Event on page 8)

Chest Pain Test

Recently you received an email with information on Chest Pain symptoms and how to respond when a visitor or patient exhibits such symptoms. If you have not already completed the short test included with that email, please do so quickly. If you could not complete on the computer, please check with the Day Captain’s office to take the test there. The Hospital is applying for Chest Pain Accreditation and this test is to help volunteers know how to respond to someone with chest pains. Only, Ye Olde Thrift Shoppe volunteers will have a different process.

At the last appreciation luncheon, Dick Campbell, Executive Director of the Auxiliary Foundation said “the volunteers are the life blood of the hospital”. I believe that and am so appreciative of each of you who serve so faithfully. Thank you!

Unfortunately we will be losing one of our faithful volunteers, Cindy Williams. Cindy has served the auxiliary in numerous ways and will definitely be missed as she relocates to Columbus, Ohio. Please join me in sending her our “Best Wishes”.

Lou Emmert

BIG BIKE WEEKEND 2017 --- expecting 500 riders!!
The Villages® Regional Hospital Auxiliary Foundation invites you to save the date for their “Hearts for Our Hospital Big Bike Weekend” November 10 and 11, 2017.

The Cycling Expo and Health Fair will be held Friday, November 10 from 10 a.m. until 2 p.m. at La Hacienda Regional Recreation Center in The Villages and the Bicycle Challenge will be Saturday, November 11 starting at 8 a.m. There will be five route options, including a 10-mile, 17-mile, 32-mile, 64-mile and 100-mile course. All participants who register by October 22 will receive a free event t-shirt! Visit www.H4HBikeWeekend.com to learn more.

A New Foundation Member ...

Cathy Reardon started here on May 30th so she has at present, been here a little over 6 weeks now. Her title is that of Development Coordinator and her role is helping cultivate donors, provide support to our current donors/partners, as well as assist/identify fundraising opportunities and programs, and continue to help the Auxiliary Foundation broaden our footprint within The Villages and our surrounding communities.

Cathy has been spending most of her time attending hospital meetings and acquainting herself with the Auxiliary, she has been attending the Executive Auxiliary meeting, amongst others, to help her learn more about our various teams/memberships (how the Auxiliary and Foundation work together, who they are, what they do, etc) and expose her to our growing family and community as to how they work in the Foundation.

Cathy was born in Danville, Illinois, which is also the hometown of Dick Van Dyke, Jerry Van Dyke, Gene Hackman, Bobby Short and Donald O’Connor. After high school, Cathy attended Danville Area Community College where she received an Associate’s Degree in Business. She transferred to Eastern Illinois University where she majored in Business Administration. She later attended the University of Wisconsin at Madison where she received several certificates in Fund Development through the School of Business.

Cathy was a major gifts officer for a large healthcare organization in the northern and eastern Illinois area. After working for the hospital foundation for nearly 10 years, she became the executive director of a library foundation where she remained for the next five years. After moving to The Villages in 2015, Cathy joined the United Way of Lake and Sumter Counties as their resource development director. She managed to do all that as well as being a wife to her husband, Bob, raising four children and enjoying four grandchildren.

New Seminar Programs beginning in September ...

The Villages® Regional Hospital Auxiliary Foundation will kick off a brand new program in September. They will be hosting evening seminars covering topics from health care to wealth management in a relaxed atmosphere. Each seminar will feature two speakers with a light dinner served between presentations. All speakers are experts in their field. Planned speakers for the first seminar on September 13 are Tricia Holloway with Buffalo Crossings and Jorge Romero from Ruggie Wealth Management. On October 11, our presenters are Phyllis Baum and Beth Jernigan from The Villages Regional Hospital and Dale Cebert from Cebert Wealth Management. For our seminar on November 8, we will have Alexander Powell from Harbor Chase. There is no charge for the seminars, but reservations are required. To make a reservation call, 352-751-8871. Stay tuned for more details on the seminars.

COMMEMORATIVE BRICK PROGRAM
just ordered 61 more Bricks!

The Foundation is paving the way to better patient care, one brick at a time. Nestled between The Villages® Regional Hospital and the Sharon Morse Medical Office Center is a serene garden open for patients, families, visitors and team members to take time out and reflect in a beautiful outdoor space. Not only does the garden provide a place for respite,

ROOM NAMING SPONSORS

The Villages® Regional Hospital Auxiliary Foundation provides a number of opportunities for individuals and families to leave a lasting legacy by sponsoring a room. The Foundation staff will work closely with you to create a lasting tribute through identifying a unique and fitting naming opportunity.

SCHOLARSHIPS

The Villages® Regional Hospital Auxiliary Foundation began in 2015 with 2 scholarships totaling $4,000. They are pleased to offer scholarships to assist and encourage education in healthcare-related courses of study. These scholarships are available annually to hospital team members as well as high school seniors residing in the hospital’s service area.

There are now 12 sponsors for scholarships including high school scholarships of $2,000 per student per year as long as they maintain a certain grade level and future plans include the medical profession. Hospital staff scholarships are given for achieving advance degrees and advancing their education/training.

We would like to thank our scholarship partners, both corporate and individual, for their dedication to continuing education for current and future healthcare professionals. It is because of their generosity that we are able to enhance the healthcare field in our own community.

LONG-TERM FUNDRAISERS

The Foundation’s long-term efforts give us bigger results, but it is a never ending process to find new donors, make sure they are recognized and keep them proud to support TVRH.

ROOM NAMING SPONSORS

Currently, we have 71 room sponsors individuals who have donated a minimum of $25,000 to the hospital. This is an increase of 16 rooms.

SCHOLARSHIPS

“Special” Long-term Fund-raisers

The Foundation’s long-term plans include some special fund raisers that are run and staffed by volunteers...

The Gift Gallery, the Cafe, and Ye Olde Thrift Shoppe

GIFT GALLERY UPDATES

Making Wreaths is Fun!!

Working together is a great way to meet volunteers you never see. If you enjoy crafting and having fun together, We will be working on Fall and Christmas wreaths soon, and have them for sale by early November.

Plans Being Made to Decorate for Christmas

As we all know, no one really wants to be a patient in a hospital during the holiday season.

For many years now, our wonderful volunteers turn into Holiday Elves and work very hard adding holiday cheer to our hospital. Beautiful trees and wreaths adorn the hospital from Thanksgiving through New Year’s Day.

Based on the numerous compliments received from patients, visitors, staff, and volunteers, the efforts of the Holiday Elves seem more than worthwhile.

Please consider joining this great group of hospital volunteers who come together and make this event happen.

Volunteers Needed!

We still need a few volunteers for The Gift Gallery; one Saturday afternoon shift, one Sunday morning shift, and substitutes.

The Gift Gallery is now offering free gift wrapping for purchase over $15.

THE CAFÉ

Penny Kasprzak and Christine Kasprzak are the Café Co-Chairs. They are “Sisters-in-law” and they recently took the responsibility of this fundraiser. They dove right in and have made some great changes. But, as in any volunteer area, there is always a need for more volunteers.

For more information on these events, please contact:
Billie Smith (352) 553-4836
Sylvia Gardner (352) 259-5941
Sandy Giannuzzi (352) 259-4709
During the entire month of July, Ye Olde Thrift Shoppe held the annual “Christmas in July” sale. Holiday items practically flew out the door.

The volunteers were having fun too helping customers get in the mood. Everywhere you looked there were unique items at a bargain.

Ye Olde Thrift Shoppe is open Tuesday through Saturday from 10 a.m. to 4 p.m. and is located at 106 & 110 W. Lady Lake Blvd. just two blocks south of the CR 466 and US Highway 441 intersection and part of the Lady Lake Historical Park.

For more information call us at 352-259-5853.

We appreciate all your donations and can also pick up large pieces of furniture (just call 352-874-3593).

5000+ VOLUNTEER HOURS ACKNOWLEDGED

Last year The Villages Regional Hospital Auxiliary Foundation was presented with a donation and the request that this be acknowledged with a plaque honoring those volunteers who have been a significant part of the growth of our hospital. The Foundation Board of Directors decided to establish an ongoing process whereby volunteers who achieve over 5000 hours by the end of each fiscal year (June 30th) and who have not otherwise been honored, will have their efforts acknowledged by a plaque outside one of the rooms on the third floor.

This year the plaque is in honor of James Lemon, Sandy Murphy, Jeannie Rogale, Kathy Greenfield and Shelly Morjoseph.

WE’RE WORKING TO ADD MORE VOLUNTEERS

On Saturday, July 15th, the Auxiliary held the second public recruitment event in the mezzanine above the Advance Surgical Waiting lobby. Over the 3 hours we received 38 applications and were able to interview the applicants and assign them to openings in both the hospital and at Ye Olde Thrift Shoppe. By holding this event in mid-July, we were able to focus our efforts on year-round residents.

A drawing was held to help entice attendees to finish the process and turn in their applications. Panera, Francesca’s Publix, and Olive Garden provided the gift cards.

Barb Lovett, Tom Hollister, Mike Kaufmann and Jeanie Rogale are ready to interview attendees

Carol and Bob check the paperwork and match applicants to openings.

Kathy Greenfield from Ye Olde Thrift Shoppe talks to a potential volunteer

MANDATORY ATM TESTING

For NEW VOLUNTEERS & GOLF CART DRIVERS
August 1, 15, 29 • 8:00-11:30 am

You will get your TB test and your eyes checked the same day. East Campus, 2nd floor, Classroom 2

For ANNUAL VOLUNTEERS
Any Tuesday... But, the 3 Tuesdays above may be busier than the other 2.

FOR EYE TESTS: The Employee Health Care nurse will be available for volunteers eye testing on these Tuesdays. Eye Tests are available at Employee Health Care Office on the 3rd floor of the East Campus.

ATM will remain in their temporary quarters at least through August.

• The Schedule will be the same.
• The location has been moved to the East Campus, 2nd floor, Classroom 2.
• Testing will be on paper rather than the computer version.
The cart lot next to the main entrance is now limited to the emergency patients only.

The parking on the south side just outside the Cafe is now for Physicians only.

All Volunteers: New TVRH Parking Policy

New Parking Policy has been issued, effective 7/5/2017, for all team members and including Volunteers.

TVRH will now issue parking decals to Team Members. Volunteers may opt out. However the benefit of having a decal on your vehicle, golf cart or motorcycle is, that it will immediately inform Security of ownership if it has sustained damage or other problems, in the parking lot during your shift. Decals can be obtained from Facilities Management Office on the 2nd floor of the hospital.

Changes in actual parking are as follows:

- All employee and volunteer golf carts and motorcycles are to park in the parking area next to the helipad and are not allowed in the TVRH hospital golf cart parking lot. This area is designated for patients and visitors only.
- It is highly recommended that Volunteers park at East Campus and use the Hospital shuttle rather than the parking lot next to the helipad.
- TVRH evening, weekend and holiday shifts are permitted in the parking lot next to the Helipad
- As a reminder, TVRH Employees and volunteers are not allowed to park around the Sharon Morse Medical Office complex or the parking lot between Publix and the cancer center at any time.

A complete copy of the policy will be available on the Bulletin Board at the kiosks by the Main Elevators, the Day Captain’s Office and the Front Desk for your perusal in the next few days.

Thank you for your cooperation.
