You have been scheduled for a **Transvaginal Ultrasound**.

This will follow a pelvic ultrasound. It will give a closer look at an area being studied.

You will be asked to lie on a cart. You will empty your bladder prior to the exam. A transducer slightly larger than a tampon will then be inserted into the vagina. This procedure takes about 15 minutes.

- Please bring your insurance, Medicare, or Medicaid cards with you. To ensure accurate billing, the Admitting staff will need to copy these each time you come to CGH Medical Center for service.
- Check with your insurance company to see if the exam/test ordered requires pre-certification or a second opinion.
- Report to the Admitting department 15 minutes prior to your appointment to allow time for your registration.
- If you have any questions about your scheduled exam, please call the Central Scheduling department at 625-3610 between the hours of 7:30 am to 5 pm weekdays. We will be glad to answer your questions.
