Cardiac Catheterization Lab

2015 CGH REPORT TO OUR COMMUNITY

A MESSAGE FROM THE PRESIDENT

We are pleased to present the annual Report to Our Community. As the largest employer in the area, our focus remains on delivering excellent care with kindness, compassion, and respect. With the support of a forward-looking Board of Directors and the diligence of highly skilled physicians, caring nurses, and each member of our team, we strive to earn your trust every day.

Here are some highlights of what has happened at CGH over the past year:

- **New and visiting physicians, nurse practitioners, and physician assistants.** This year, 16 new staff members joined CGH, covering a variety of medical specialties, including interventional cardiology, family medicine, surgery, pulmonology, and more.
- **Expanded services.** We opened our brand-new Emergency Department with the latest technology, expanded to meet increasing demand. We also opened a new clinic in Mt. Carroll to serve patients residing in Carroll, Ogle, Stephenson, and Jo Daviess counties.
- **eICU.** Through a tele-intensive care unit (eICU), patients in the critical care unit are continuously monitored remotely through active consultation and reporting, resulting in improved care.
- **Greater cardiovascular capabilities.** With the opening of a second cardiac catheterization lab, there is greater ease in scheduling and increased capacity to address all your cardiovascular needs, including the ability to perform electrophysiologic studies. A new vascular lab increases our capabilities to serve patients with vascular conditions.

In the coming year, we look forward to:

- Opening our Women's Imaging Center, featuring same-day mammography results
- Updating our Medical Floor with cosmetic and technological improvements
- Expanding oncology services at the CGH Main Clinic
- Updating our imaging equipment with two new state-of-the-art CT scanners
- Offering telepsychiatry to bring acute psychiatric care to CGH

Ultimately, we want to inspire better health for you, your family, and friends. A community hospital like CGH does not exist without the support of the communities we serve and we thank you for that support. We are committed to improving the health and well-being of everyone in the Sauk Valley and appreciate you choosing CGH and trusting us with your healthcare needs.

Paul Steinke, DO
President and CEO

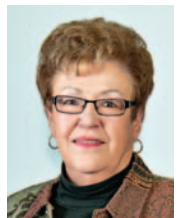

CGH BOARD OF DIRECTORS

- Andy Moore, Board Chair
- John VanOsdol, Vice Chair
- Dr. Thomas McGlone, Treasurer
- John Benson
- Bill Burke
- Dr. Shawn Hanlon
- Dr. Marcia Jones
- Dr. Jeffrey LeMay
- Nancy Rasmussen
- Heather Sotelo

IN MEMORIAM

CGH is saddened to share the news of board member LaVonne Colloton's passing on August 13, 2015. LaVonne was a dedicated CGH volunteer, donating nearly 4,500 hours to the Auxiliary and serving on our planning committee, Executive Board, and CGH Board of Directors. She will be greatly missed.

OUR MISSION

Delivering exceptional patient care by combining outstanding skill with heartfelt compassion

COMMITTED TO YOU

CGH Medical Center is committed to meeting—and exceeding—the healthcare needs of our community.

This commitment to our patients and families extends beyond the hospital doors.

Digestive Health Center

MEDICAL SERVICES

CGH Medical Center is a not-for-profit, city-owned hospital located in Sterling that serves a five-county region in northwestern Illinois. Licensed for 99 beds, the Medical Center has provided the following services to patients over the past two fiscal years:

THE ROLE OF HEALTHCARE REFORM

At CGH Medical Center, we take our financial stewardship responsibility seriously and work hard to manage our resources effectively. We are in the fifth year of the 10-year implementation plan for the Affordable Care Act. We continue to adapt to the challenges that have occurred as a result of this legislation. To alleviate the potential financial burden that healthcare costs can impose on everyone, we continue to find ways to derive the best value from the care we deliver.

Make an Appointment

CGH clinics are welcoming new patients and accepting all insurance plans. For more information or to make an appointment, please call **815-625-4790**. For a schedule of community classes and events, visit www.cghmc.com/calendar.
