CGH Employee Pharmacy Easy and Convenient

+ **SAVING**
\$\$\$\$ **=**

The CGH Employee Pharmacy is an easy and convenient service for CGH employees and their dependents with lower copays than a traditional pharmacy. It is located next to the In-Patient Pharmacy on the 1st Floor, and delivers to off-site offices via couriers.

The hours are currently 8 a.m. to 5 p.m. Monday through Friday and 8 a.m. to noon on Saturdays. The CGH Employee Pharmacy will also mail prescriptions upon request and will work with 3rd shift employees on drop-off/pick-up after hours.

Currently 70% of CGH employees/dependents are utilizing the pharmacy. Help yourself and CGH and give the CGH Employee Pharmacy a try!

COMMUNICATION

HAVE YOU HEARD?

Do you know what our patients say about us? Here are just a few recent patient comments.

All of the staff are excellent! Everyone we encountered made my husband and I comfortable, listened to us, and answered all our questions in a way that we understood. They were great at explaining everything in layman's terms.

Your staff is patient, willing to listen and really want to help.

I would like to commend Tina (ER) for her attentiveness, compassion, and communication with me. Zach (2E) was attentive, as well as reassuring. He made me feel comfortable and listened very well. They both made a scary situation much less scary.

I appreciate that everyone greets me with a smile and asks how they can help.

You actually listen to what I have to say and talk with me instead of at me.
